Assembling the Quilt

Step 1 Arrange the brown and pink basket blocks in alternate rows on point as shown in the Quilt Assembly Diagram. Add the setting triangles along the outer edge, with the smaller triangles at the corners.

Step 2 Sew the blocks and setting triangles together in diagonal rows, pressing toward the brown frames and setting triangles.

Step 3 Join the rows, matching and pinning at each seam intersection. Press the seams either direction.

Step 4 Before adding the borders, trim and straighten the outer edges carefully, leaving at least 1/4" from the corners of the blocks.

Step 5 Piece the 1-1/2" x 21" border strips together with straight seams pressed open. Measure and trim two dark pink borders the width of the quilt. Sew to the top and bottom. Press towards the borders.

Step 6 Repeat for the side borders.

Step 7 In the same manner, add the light pink stripe and the wide outer brown/pink floral borders to the quilt. Press.

Your quilt top is now complete! Baste, quilt, bind and enjoy!
