Assemble the Half-Square Triangles

Step 1: Pair a 5" Fabric B square RST with a green 5" square. Sew around all four edges, using a 1/4" seam allowance.

Step 2: Cut along both diagonals, creating four half-square triangle (HST) units. Press, taking care to not handle the raw edges too much in order to avoid stretching/distorting the bias edges.

Tip: Before cutting the diagonals, spray with a spray starch on each side, then press. This will stiffen the fabric slightly and can help prevent bias edges from stretching once the diagonals are cut.

Step 3: Trim to 2-3/4" square.

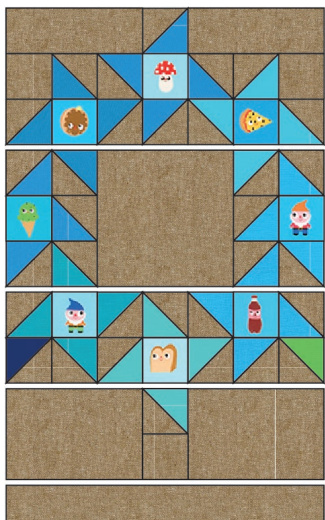

Step 4: Repeat Steps 1-3 with all 5" squares, creating four HSTs of each color (a total of thirty-two HSTs in each color grouping).

Assemble the Blocks

A Note About Assembling the Blocks:

There are slight differences in how the blocks are constructed. Construct each block one at a time, referring to the block image often to confirm correct color placement and HST orientation, then move to the Quilt Assembly.

Light Blue/Aqua Block

Step 5: Gather

eight light blue/aqua Fabric A squares

all light blue/aqua HSTs*

one blue HST

one green HST

two 2-3/4" Fabric B squares

two 2-3/4" x 7-1/4" Fabric B rectangles

two 7-1/4" x 5" Fabric B rectangles

one 2-3/4" x 16-1/4" Fabric B rectangle

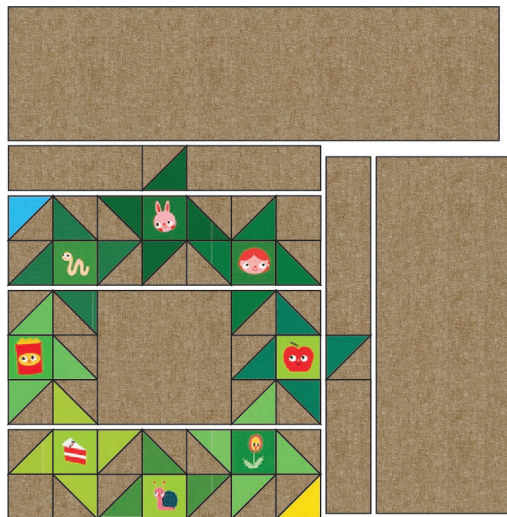

one 7-1/4" Fabric B square

*Note that one of these will end up in the Blue Block and one will end up in the Green Block, but they are used here for planning.

Step 6: Arrange to form the block, as shown, noting the orientation of the Fabric A squares and HSTs. Pair the Fabric A squares with one set of four matching HSTs of your choosing. Note the placement of the blue HST and the green HST within the block and place the remaining two light blue/aqua HSTs in their respective piles: one will be used in the Blue Block and one will be used in the Green Block.

Step 7: Sew together to form rows, pressing the seams in opposite directions every other row. Sew the rows together to form the block.

Green Block

Place the extra green HST in the stack for the Yellow Block.

Step 10: Sew together to form rows, pressing the seams in opposite directions every other row. Sew the rows together to form the main block section, then sew the right section to the block, as shown. Sew the 7-1/4" x 25-1/4" Fabric B rectangle to the top of the block.
