## Pattern Tips

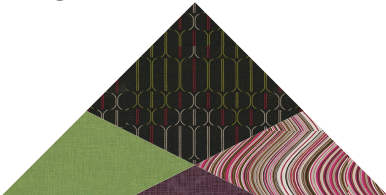

Edges of templates and triangle block units will have bias edges. Prevent distorting these edges by minimizing the handling of these pieces.

Make one complete block to get a feel for how the template blocks go together, then construct them assembly line as instructed.

## Piece the Triangle Units

The blocks are pieced as triangle units, then sewn together as half-block units, then finally sewn together as complete blocks. No Y-seams necessary!

### Triangle Unit A:

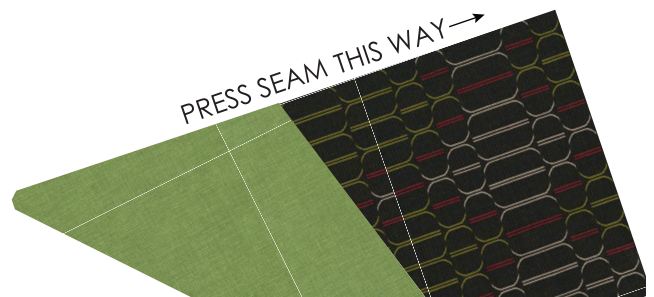

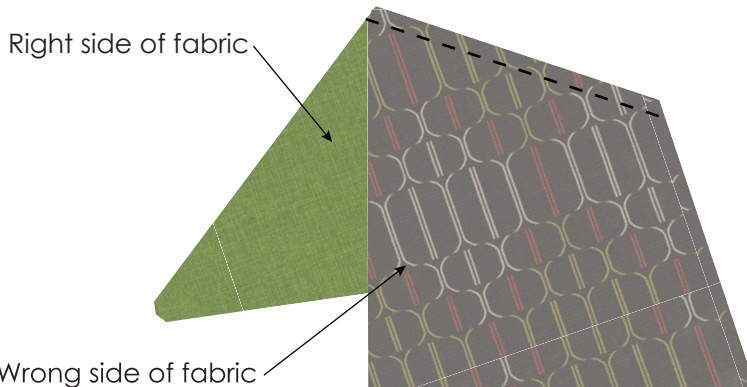

Sew Fabric D pieces to Fabric C pieces. Press seams to the Fabric C side.

Repeat with all remaining Fabric D pieces.

Sew Fabric E pieces to Fabric A pieces. Press seams to the Fabric E side.

Repeat with all remaining Fabric A and E pieces.

Sew these units together to form forty Triangle Unit A pieces. Press seams open.

## Triangle Unit B:

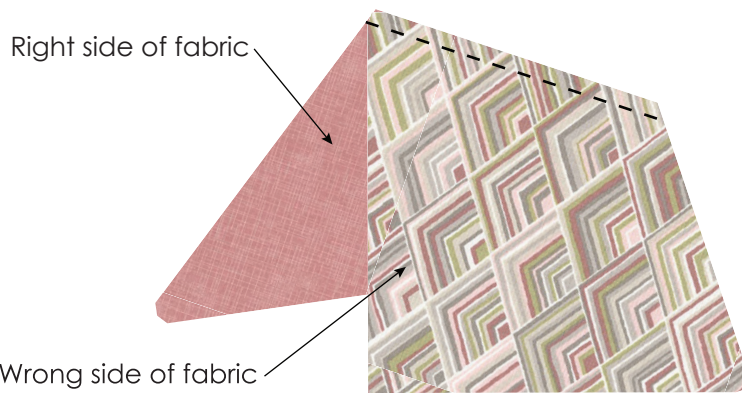

Sew Fabric G pieces to Fabric C pieces. Press seams to the Fabric C side.

Repeat with all remaining Fabric G pieces.

Sew Fabric F pieces to Fabric B pieces. Press seams to the Fabric F side.

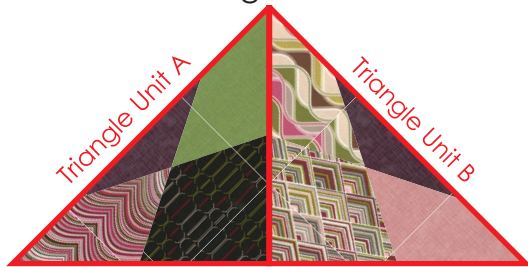

Repeat with all remaining Fabric B pieces.

Sew these units together to form forty Triangle Unit B pieces. Press seams open.

## Assemble the Blocks

Place one Triangle Unit A and Triangle Unit B right sides together.

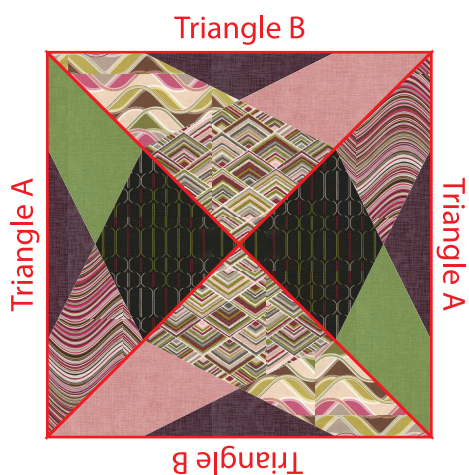

PRESS SEAM THIS WAY →

Sew together and press seam toward the Unit B side.

Repeat to form forty half-block units.

Pair half-block units RST. Pin together, nesting center seams. Sew together, creating complete block. Press seam open.

## Assemble the Quilt

*Quilt Assembly Diagram*

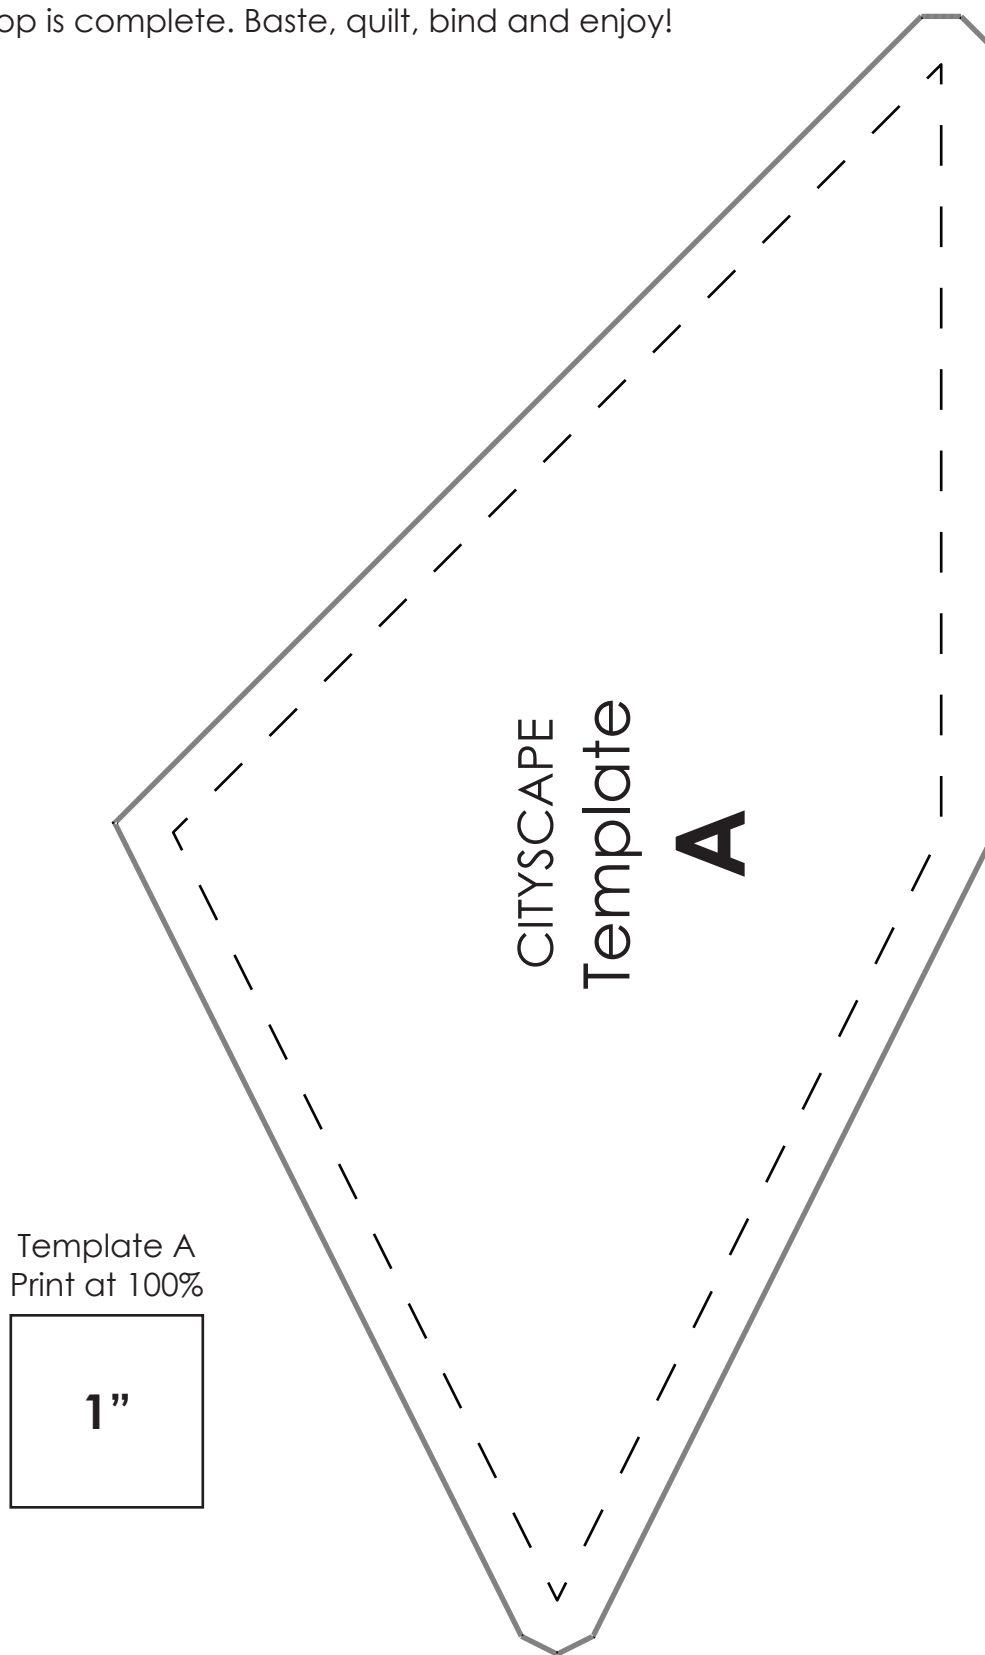

Arrange blocks in five rows of four blocks each. Refer to Quilt Assembly Diagram to confirm color placement.

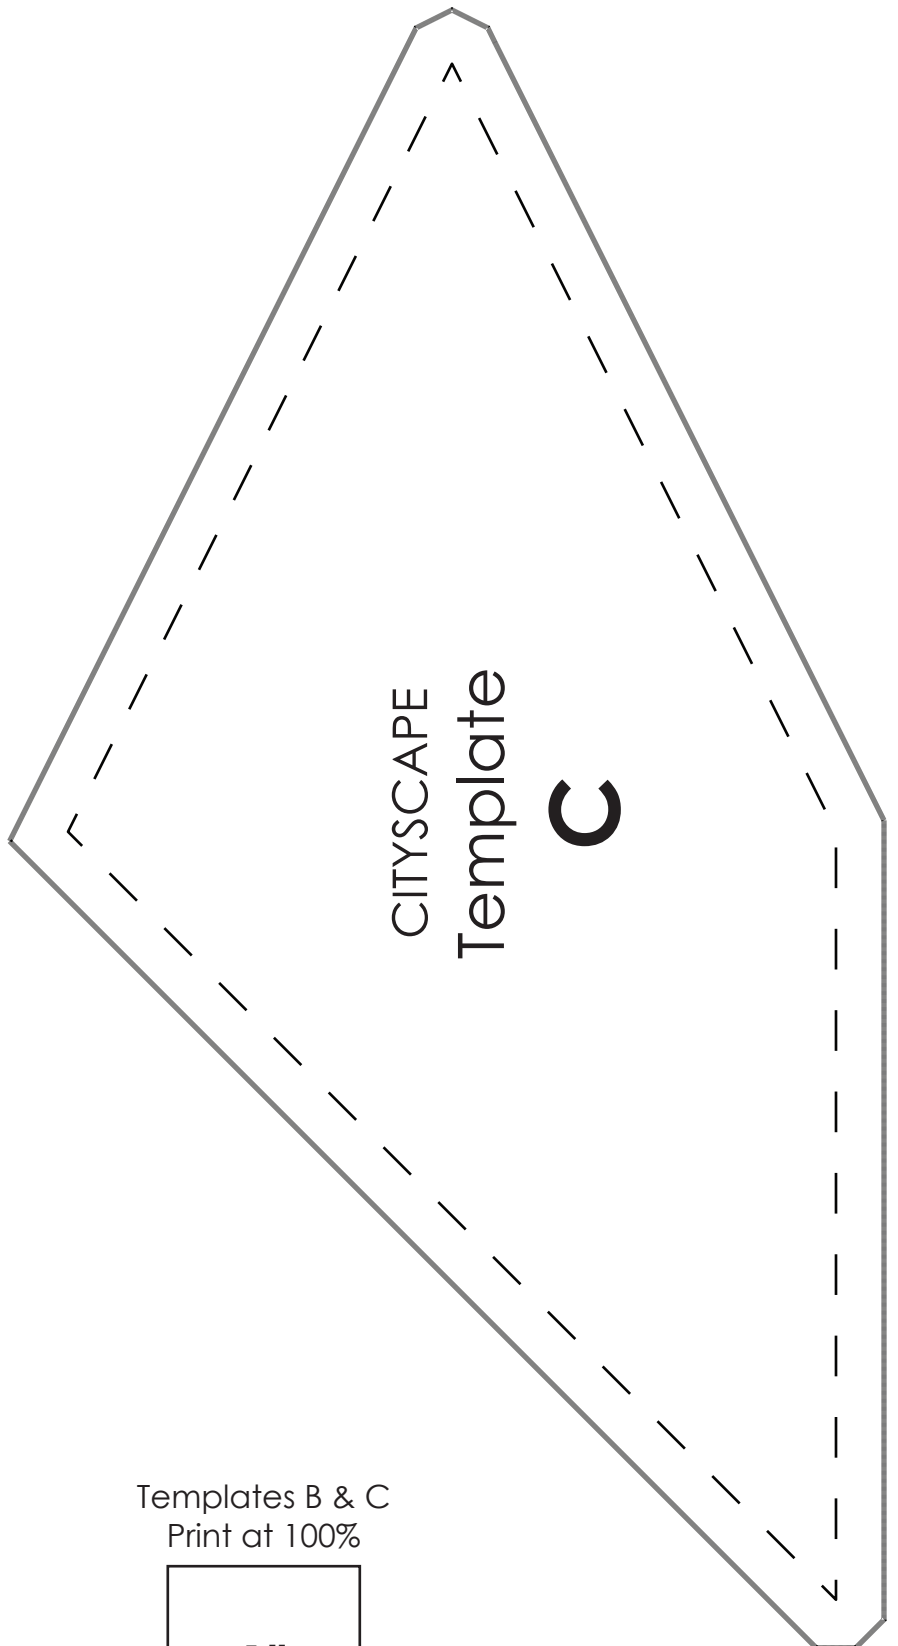

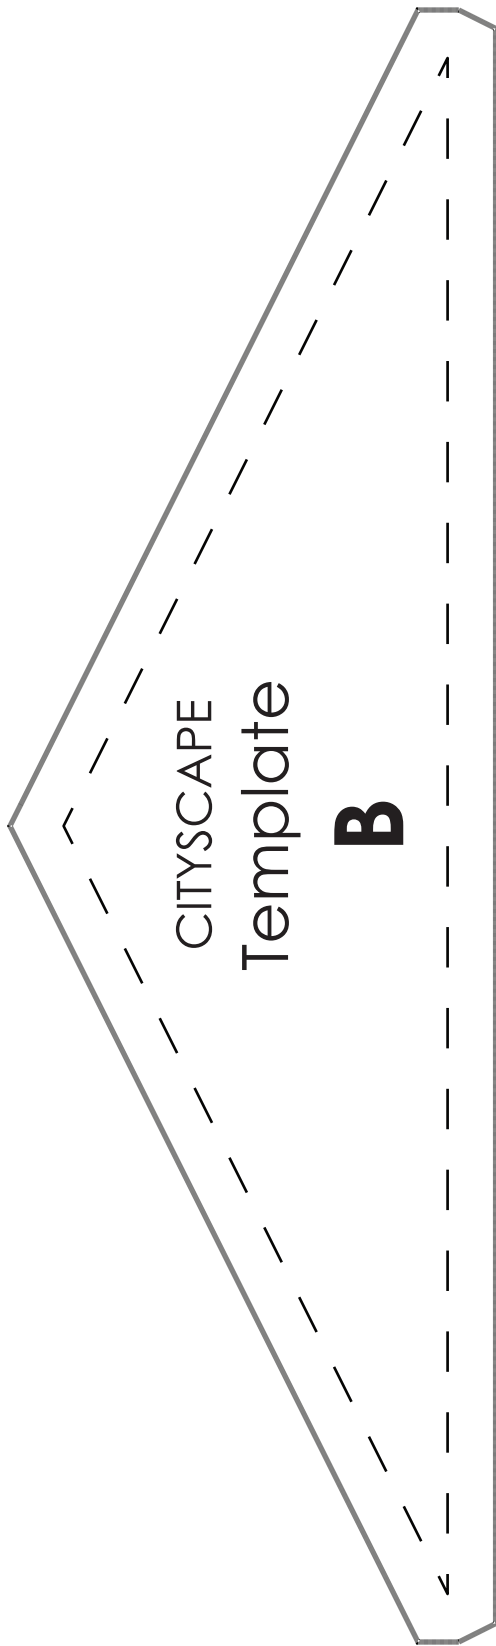

Sew blocks into rows, pressing seams to the left in odd numbered rows and to the right in even numbered rows.

Sew rows together, nesting seams and pressing seams open after sewing.

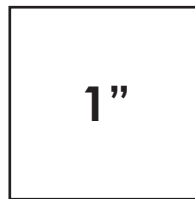

Your quilt top is complete. Baste, quilt, bind and enjoy!
