Step 5: Sew a completed Step 2 unit to the top of the Step 4 unit. Press the seams in one direction.

Step 6: Sew a Fabric G triangle to each edge of the Fabric A square. Press the seam away from the square.

Step 7: Sew a completed Step 5 unit to edge edge of the completed Step 6 unit. Press the seams away from the block's center. The block should measure 12-1/2" square.

Repeat Steps 2-7 for the remaining blocks, using the Quilt Assembly Diagram for proper fabric placement.

Adding the Sashing and Cornerstones

Step 8: Arrange the blocks together as indicated in the Quilt Assembly Diagram. Sew each row together, using sashing strips between each block and at the beginning and end of each row. Press seams toward the sashing. Repeat to make three block rows.

Step 9: Gather three cornerstone squares and two sashing strips. Sew each row together, using cornerstones between each sashing strip and at the beginning and end of each row. Press seams toward the sashing. Repeat to make four sashing rows.

Step 10: Sew the sashing and block rows together, pinning and nesting the seams. Press seams open or to the sashing.

Add the Mitered Border

Step 13: Center and pin one side outer border to the quilt top. Sew the border, starting and stopping 1/4" from each end of the quilt top. Repeat for three other sides. Note: borders will extend beyond the quilt's edge.

Step 14: Fold the quilt diagonally, right sides together and align two of the borders directly on top of each other.

Use your ruler to draw a line from the corner of the quilt to the edge of the border.

Step 15: Trim off excess border along line and sew 1/4" in from the edge. Begin at the point where your border stitching had ended and sew to the edge of the border.

Your quilt top is complete! Baste, quilt, bind and enjoy!
