Block Assembly

Step 1: Align the midpoint of the $3" \times 9\frac{1}{2}"$ Fabric A rectangle with the midpoint of one small Fabric B triangle and one large Fabric B triangle. Place the small triangle along one long side of the rectangle and the large triangle along the opposite long side, matching centers. Sew the triangles to the rectangle to create a square-shaped unit. Press seams open.

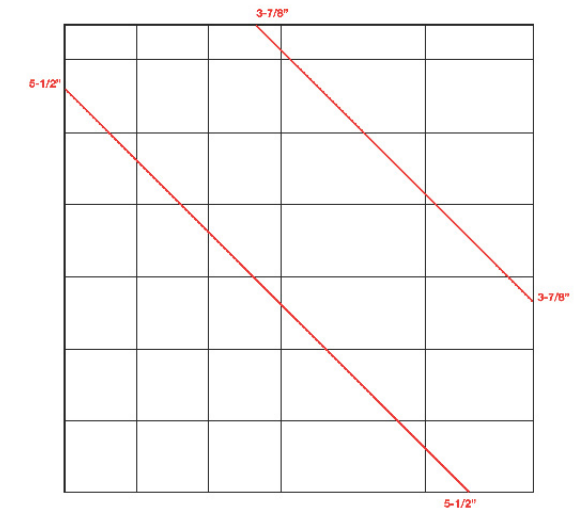

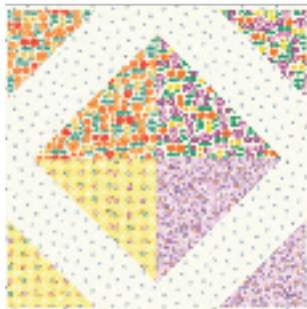

Pro Tip:

For consistent alignment across your quilt, place temporary diagonal guidelines on your ruler at 5-1/2" and 3-7/8". These lines will help you position the Fabric A rectangle accurately within the square during trimming, ensuring each unit matches perfectly.

Trim to a 6-1/2" square.

Repeat to make eighty assorted squares.

Step 2: Use four different squares to assemble a four-patch. Make twenty 12-1/2" blocks.

Quilt Assembly

Step 3: Layout blocks as desired in five rows of four blocks. Sew a 2-1/2" x 12-1/2" Fabric A strip on the right side of each block in columns 1-3. Press towards Fabric A.

Step 4: Sew four blocks together in rows. (The last block will not have a Fabric A strip on the right.) Press towards Fabric A.

Step 5: Sew twelve 2-1/2" x WOF strips end-to-end to make sashing strips. Cut five 2-1/2" x 54-1/2" strips for horizontal sashing.

Step 6: Assemble quilt top by sewing sashing strips between block rows, and to the sides of the quilt top. Press towards the sashing strips.

Step 7: Cut two 2-1/2" x 58-1/2" strips. Sew a strip to the top and bottom of the quilt top.

Finish quilt as desired.
