Fabric and Supplies Needed

Color	Fabric	Name/SKU	Yardage	Color	Fabric	Name/SKU	Yardage
	A	AFRX-15031-305 GRAPHITE	2 yards	<p>You will also need: 5/8 yard Binding Fabric 2 yards Backing Fabric 60" x 74" quilt batting</p>			

Other Supplies:

- If hand quilting or hand tying: perle cotton (#8 or #12), big stitch hand quilting needle, thimble.
- If machine quilting: walking or darning foot.

*Note: Adjust yardage as needed to make any other desired size.
This listed amount is enough to make two tops at 54" x 68" because of how it is cut.*

Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

Cutting Instructions

Fabric A

- Cut one rectangle 54" x 68" (you will be cutting the 108" width in half).

Note: Carefully square panel by folding in half in each direction and using the largest ruler you have to square up each side.

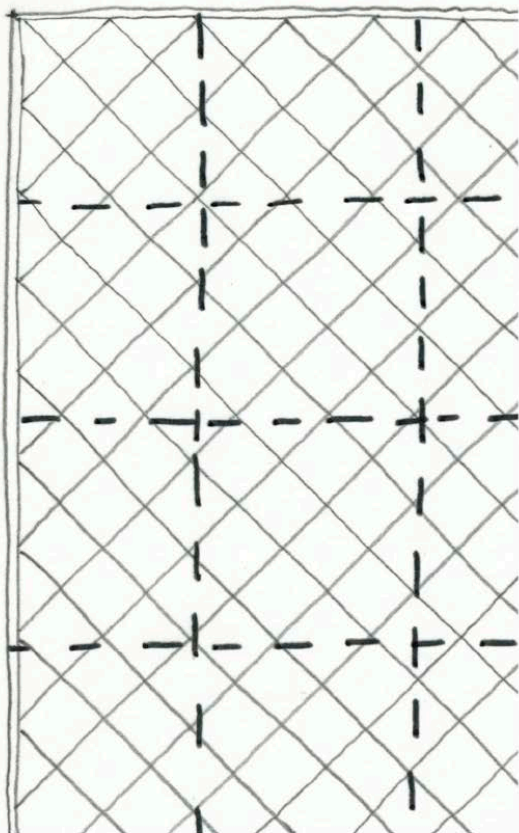

Assembly Instructions

- Prepare backing and batting. Baste together quilt sandwich with backing on bottom (RIGHT side OUT), batting in center, and pieced panel on top (RIGHT side OUT).
- Quilt as desired.

Note: The fun thing about this project is that you have a blank canvas to work from! Use the grid in the fabric as a guide for your design. You can use big stitch hand quilting, hand tying, or machine quilting to express whatever design you have on your mind. See the attached diagrams for ideas.

- Trim layers evenly. Cut 7 strips 2-1/2" x WOF for binding. Sew ends together diagonally and press seams open. Fold binding strip in half WRONG sides TOGETHER and use your favorite binding technique to attach.
