## Fabric and Supplies Needed

Color	Fabric	Name/SKU	Yardage	Color	Fabric	Name/SKU	Yardage
	A	AAKF-10394-288 CABANA	1/2 yard		F	AAKF-12136-262 BUBBLE GUM	1/4 yard
	B	AAKF-11503-287 SWEET	1/4 yard		G	AAKF-12859-130 SUNSHINE	1/4 yard
	C	AAKF-12136-33 KIWI	1/4 yard		H	AAKF-14721-229 SLIPPER	1/4 yard
	D	AAKF-12136-110 HOT PINK	1/4 yard		I	AAKF-14721-287 SWEET	1/4 yard
	E	AAKF-12136-146 MANGO	1/4 yard	<div style="background-color: #d3d3d3; padding: 10px; text-align: center;">                     You will also need:                      1/3 yard Binding                      1-1/2 yards Backing Fabric and Batting                 </div>			

## Notes Before You Begin

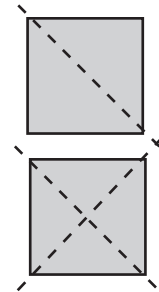

- Please read through all of the instructions before beginning.
- All of the seam allowances are a **scant** 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

## Cutting Instructions

- Refer to the chart and cut the number of squares specified for each fabric.

Fabric	# of 6-1/2" x 6-1/2" squares	# of 7" x 7" squares	# of 7-1/4" x 7-1/4" squares
<b>A (Chevron)</b>	0	Eight	Two
<b>B (Butterflies)</b>	Three	Two	0
<b>C (Green Dot)</b>	0	Two	Two
<b>D (Dark Pink Dot)</b>	0	0	Four
<b>E (Orange Dot)</b>	0	Four	One
<b>F (Light Pink Dot)</b>	0	Two	Three
<b>G (Chicks)</b>	Four	0	0
<b>H (Bunnies on Pink)</b>	Three	Two	0
<b>I (Bunnies on White)</b>	Two	Four	0

- Cut each 7" x 7" square on the diagonal once to make two triangles. These will be the **Outer Triangles**.
- Cut each 7-1/4" x 7-1/4" square on the diagonal twice to make four triangles. These will be the **Inner Triangles**.

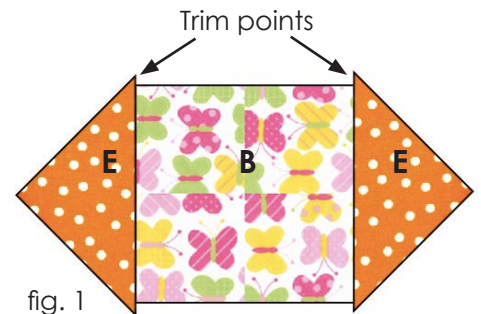

## Assembly Instructions

### Step 1

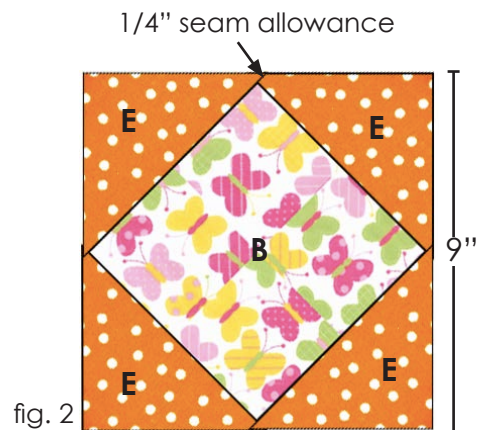

- Sew a Fabric E Inner triangle to either side of a Fabric B square. Press seam allowances toward the triangles and trim the points from the triangles to even up the sides (fig. 1).

*Tip: Your piecing will be more accurate if you fold the square and the triangles in half to mark the centers and then match up the centers. Do this each time you sew new triangles to the center.*

- Sew two more Fabric E Inner triangles to the remaining sides of the Fabric B square. Press seam allowances toward the triangles (fig. 2).
- Trim the block so there is 1/4" seam allowance past the Fabric B corners. Your block will be about 9" square.

*Tip: Your block size may be a bit smaller, or larger, than 9" depending on the size of your seam allowances. As long as you keep the seam allowances consistent, your blocks will all end up the same size.*

## Step 2

- Sew a Fabric A Outer Triangle to either side of the block you make in Step 1. Press seam allowances toward the triangles and trim the points from the triangles to even up the sides (fig. 3).
- Sew two more Fabric A Outer triangles to the remaining sides of the block. Press seam allowances toward the triangles (fig. 4).
- Trim the block so there is a 1/4" seam allowance past the Fabric E corners. The block will be about 12-1/2" square.

*Tip: As with Step 2, it is ok if your blocks are not exactly 12-1/2", as long as they are all the same size. It is more important that you have a 1/4" seam allowance past the points.*

- Repeat Steps 1 and 2 to make a total of twelve blocks. You may refer to the quilt photo on page 1 to match up your fabrics, or choose your own layout.

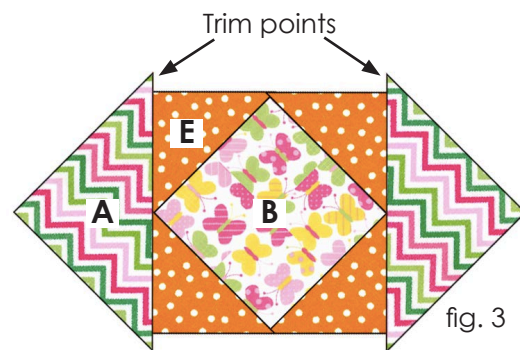

fig. 3

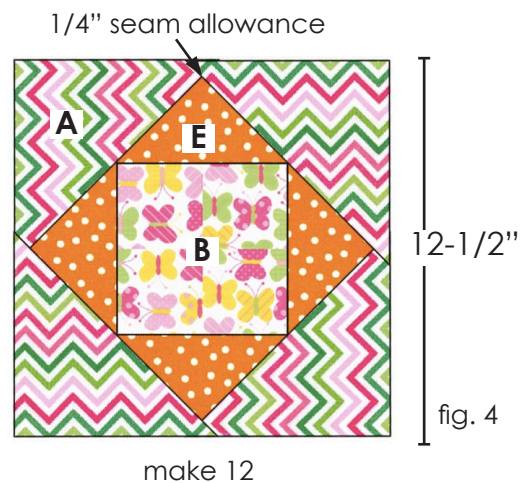

fig. 4

## Step 3: Quilt Assembly

- Sew the blocks into four rows of three blocks each, then sew the rows together lengthwise to complete the quilt top (fig. 5).

- Baste, quilt, bind and enjoy!
