Fabric and Supplies Needed

Fabric amounts based on yardage that is 42" wide.

Color	Fabric	Name	Yardage	Color	Fabric	Name	Yardage
	A	WELD-20339-14 NATURAL	1/3 yard		C	WELD-20341-144 PEACH	1/3 yard
	B	WELD-20340-138 HONEY	1/3 yard		D	WELD-20343-32 MINT	1/3 yard

Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

From each of Fabrics A-D, cut:
one 8-1/2" x 15-1/2" rectangle
two 1-1/2" x 35" strips for the ties

Assemble the Mask

Step 1: Fold a short end of one 35" strip to the wrong side by 1/4" and stitch in place. Repeat with the three remaining short ends of the 35" strips.
Step 2: Fold one strip in half along the length, wrong sides together, and press. Unfold, then bring each long, raw edge in to meet at the center. Press. Refold along the initial crease, encasing all raw edges, and press. Do not stitch just yet. Set both strips aside.

**Step 3:** Fold both short ends of the rectangle to the wrong side by 1/4" and stitch in place.

FOLD

Step 4: Fold the rectangle in half, short ends and wrong sides together. Press. Position on the work surface so the fold is at the top. Stitch along the left and right edges, basting 1/8" from the raw edge.

FOLD

Step 5: Stitch along the bottom edge, leaving a 4" opening in the center for inserting an optional filter later. Be sure to backstitch at both ends of the opening.
Step 6: Fold as instructed on the folding template, using a washable fabric marker or placing a pin to help align your folds. Press each fold. The resulting mask will measure 3-1/2" x 8-1/2" after folding.

Step 7: Baste along both the left and right edges to hold the folds in place.

Step 8: Center one strip along the left edge, enclosing the raw edge of the mask in the crease of the strip. Pin in place. Edge stitch along the open edges of the strip to finish the strip and attach it to the mask. Repeat for the second strip on the right edge of the mask.

Your mask is complete!
