Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Make the Blanket

Step 1: Choose a line in the weave of the plaid that will be your stitching line. You will need at least 1-1/2 to 2" beyond the stitching line to trim off the selvage edge and straighten the cut edge.

Step 2: Sew on the line you have chosen as your stitching line on all four sides. Use a very small stitch length for sturdiness.

Step 3: Trim off the selvage edge and straighten the cut edge approximately 1" beyond your stitching. This can be done with a rotary cutter, mat and ruler or a scissors.

Step 4: Unravel the edge by removing the threads parallel to your stitching line to reveal a soft edge.
