Step 1. Assemble the Blocks

Construct the quarter square triangle blocks by pairing fabrics together as instructed below and sewing RST along a short side. Take care to note which fabric should be on the left of the pair.

(fig. 1)

- fourteen E/G triangles, Fabric E on the left (shown in fig. 1)
- two E/L triangles, Fabric E on the left
- six E/J triangles, Fabric E on the left
- ten H/I triangles, Fabric H on the left
- four H/L triangles, Fabric H on the left
- two H/J triangles, Fabric H on the left
- two H/K triangles, Fabric H on the left
- fourteen D/F triangles, Fabric D on the left
- six D/K triangles, Fabric D on the left
- two D/L triangles, Fabric D on the left

Press all seams to the darker fabric

Following placement shown in Quilt Assembly Diagram (found on page 5), pair triangle units together to form thirty-two quarter square triangle blocks (fig. 2). Nest seams and sew, RST, along longest side of the unit.

(fig. 2)

Tip: Lay out entire quilt before sewing to ensure pairs are in the correct place.

For all thirty-two quarter square triangle blocks, press final seams open and trim blocks to 10" x 10" square.

Step 2. Assemble the Quilt

Sew blocks together into nine rows of seven blocks each, referencing Quilt Assembly Diagram. Press seams toward the darker fabric.

Nesting seams, sew rows together to assemble quilt top. Press seams open.
