	A	ADZ-18754-80 EVENING =	3/8 yard**				

You will also need:
4 yards for backing

**Yardge listed for Fabrics A-E is in addition to that included within the Roll Ups.

Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

From one roll-up, pull out and set aside each of the five lightest prints (that match Fabrics A-E) for use in another project. From the remaining five light strips, cut:

twelve 2-1/2" squares, then cut once on the diagonal to make twenty-four triangles from each print. These are your *corner triangles for each block. Label and set aside.*
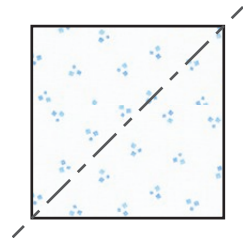

Cut the remainder of the colored strips into 2-1/2" squares. You will not be using all the squares, but this will give a nice variety to combine in your blocks.

**From each of Fabrics A-E, cut:**
two 4-1/4" x WOF strips. Subcut:
    eighteen 4-1/4" squares, cut twice on the diagonal to make
    seventy-two triangles from each print.

Set aside the remainder of Fabric E for use in Step 1 of Assembling the Quilt.

From the Binding Fabric, cut:
eight 2-1/2" x WOF strips

Assembling the Blocks

Step 1 Starting in the center of each block, arrange a variety of the squares to make a 'granny square'. Add the large light triangles along the outer edges of the block and the smaller light triangles at the corners.

Step 2 Sew the squares and triangles together in seven rows as shown. Note the top three and the bottom three rows are the same, just flipped. Finger press as shown.

Step 3 Sew the rows together. Press the seams away from the center with the iron. Add the corner triangles last, centering the triangle on the squares. Note the triangles are all *slightly* oversized to allow squaring up the block later.
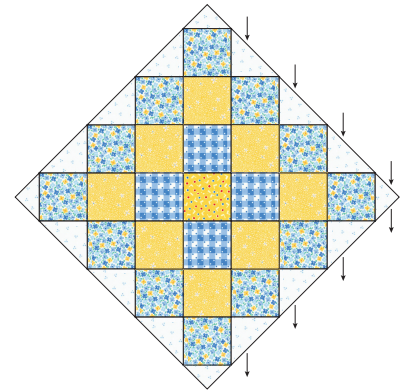

Step 4 Repeat Step 1-3 to make all thirty blocks. **Square the blocks** up to 11-3/4" square approximately. Remember to leave a 1/4" seam allowance beyond the points of the print squares around the outside of the block. *It's more important the blocks are all the same size. Your blocks may be a slightly different size.*

Assembling the Quilt

Step 1 From Fabric E, cut:
seventeen 1-1/2" x WOF strips. Subcut:
   forty-nine 1-1/2" x 11-3/4" sashes (Or the size of your blocks.)

Step 2 Choose thirty-eight leftover print squares. Trim to make 1-1/2" square cornerstones.

Step 3 Arrange the blocks in six rows of five blocks. Sew the sashing strips between the blocks and at both ends. Press toward the sashing strips.
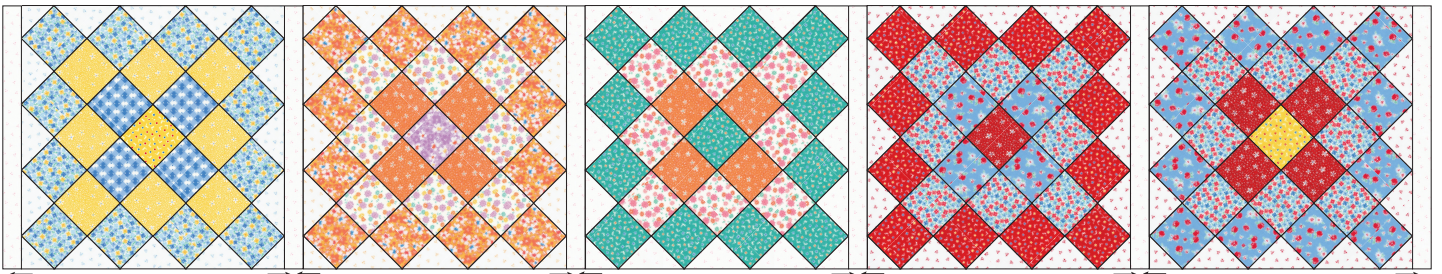

Step 4 Sew seven horizontal sashing strips of 5 sashes and 6 cornerstones. Press toward the sashing strips.
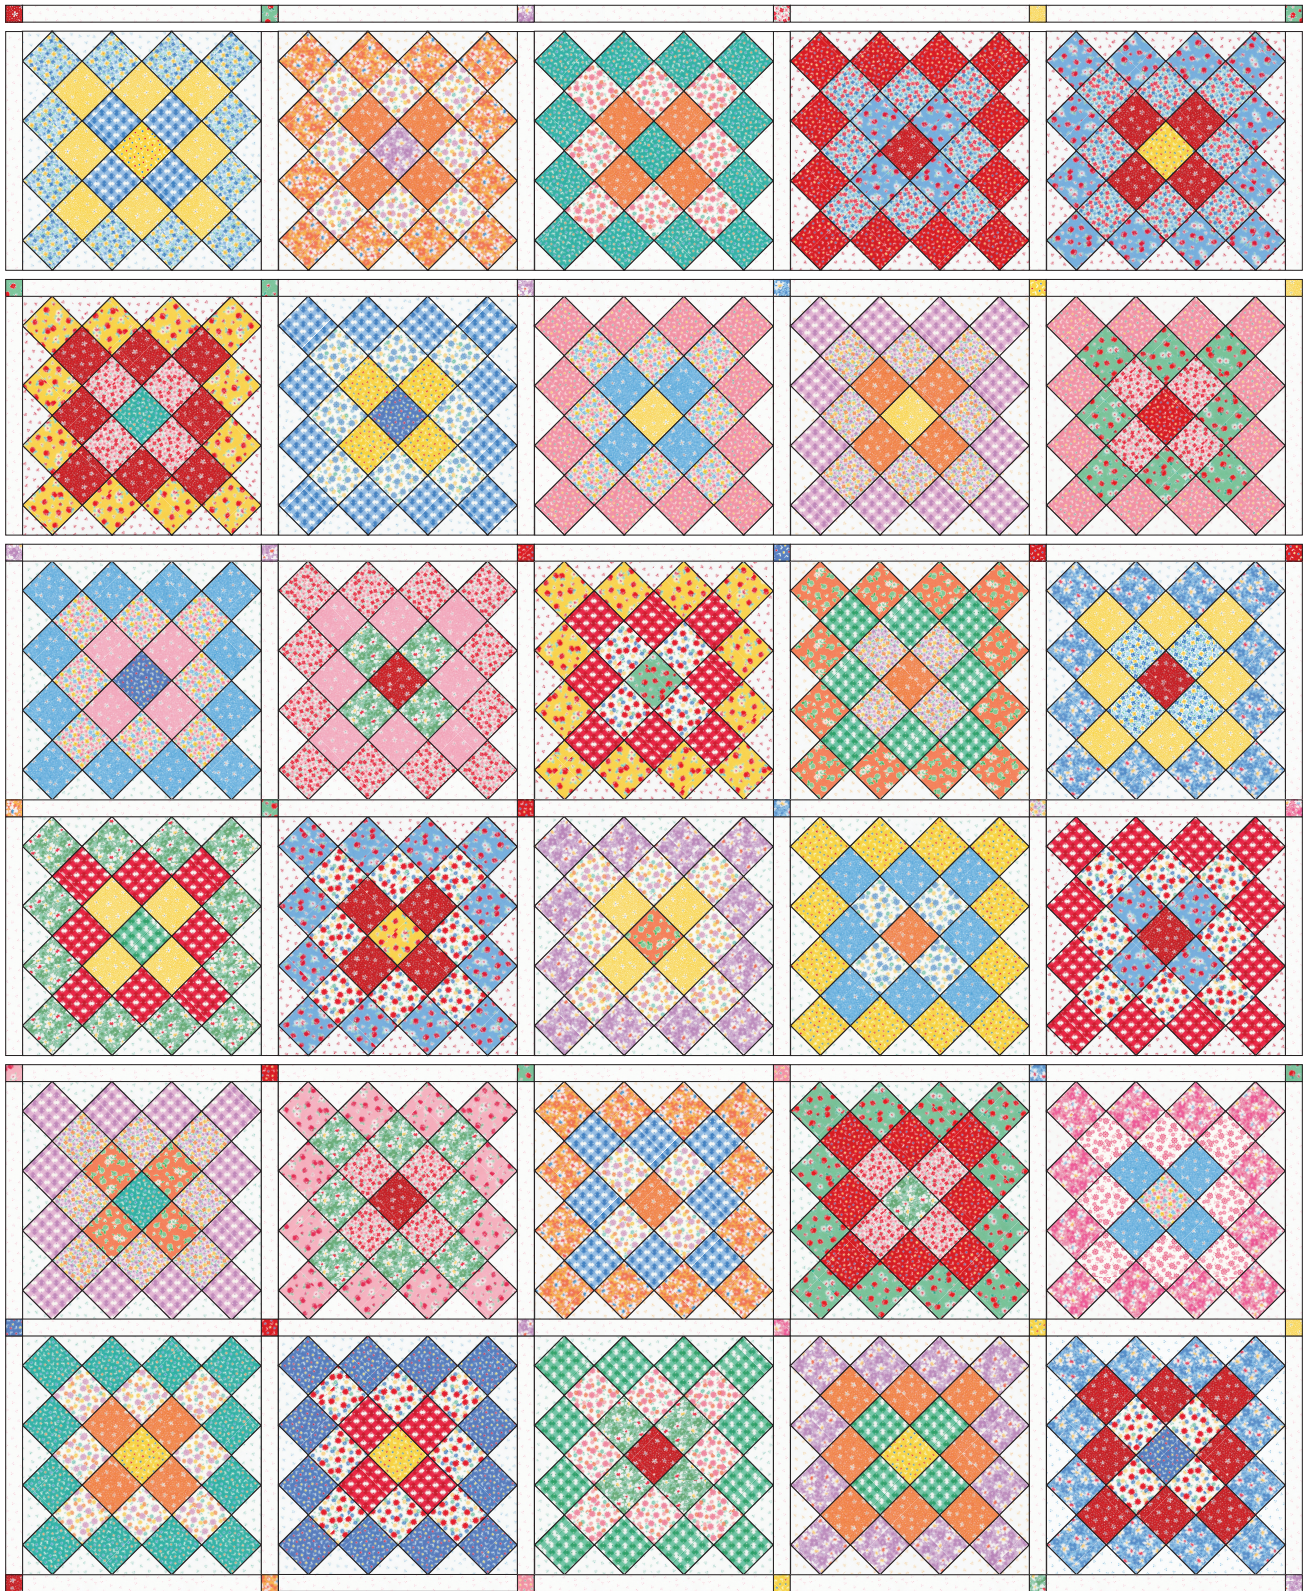

Step 5 Join the block rows and the horizontal sashing rows, matching and pinning seam intersections. Press all the seams towards the sashing rows.

Your quilt top is complete! Baste, quilt, bind and enjoy!
