Assemble the Blocks

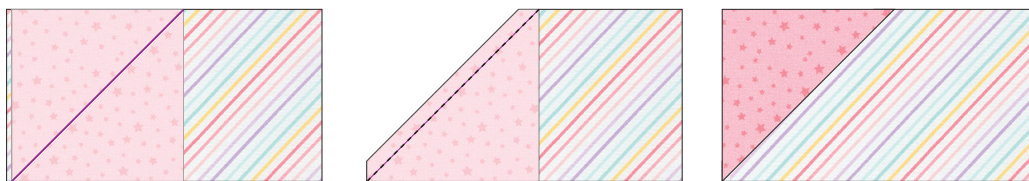

In order to best match the hearts with their background fabrics, it is advised to make each block one at a time, or to stack each of the cut pieces in twenty separate stacks by block before doing any assembly line sewing.

The block fabric pairs are as follows. Each block contains:
one 10-1/2" x 8" rectangle and two 5-1/2" x 3" rectangles of the "heart" fabric
two 5-1/2" squares and four 3" squares of the background fabric

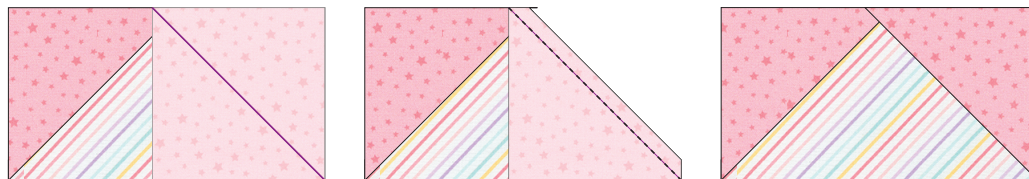

Block 1: Fabrics A & I
Block 2: Fabrics B & J
Block 3: Fabrics C & K
Block 4: Fabrics D & L
Block 5: Fabrics E & L
Block 6: Fabrics A & I
Block 7: Fabrics B & J
Block 8: Fabrics C & K
Block 9: Fabrics F & M
Block 10: Fabrics E & L
Block 11: Fabrics A & I
Block 12: Fabrics B & J
Block 13: Fabrics G & N
Block 14: Fabrics F & M
Block 15: Fabrics E & L
Block 16: Fabrics A & I
Block 17: Fabrics H & O
Block 18: Fabrics G & N
Block 19: Fabrics F & M
Block 20: Fabrics E & L

The following steps are specific to Block 1, however the same process is also used for each of the remaining blocks.

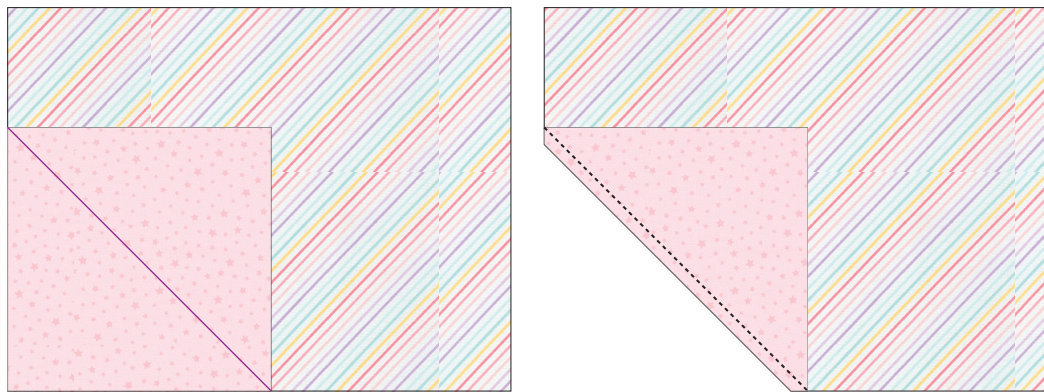

Step 1: Place a 3" Fabric I square RST at one end of a 5-1/2" x 3" Fabric A rectangle. Mark a diagonal line on the wrong side of the square, as shown. Sew on the marked line and trim away the excess fabric, leaving a 1/4" seam allowance. Press toward the triangle.

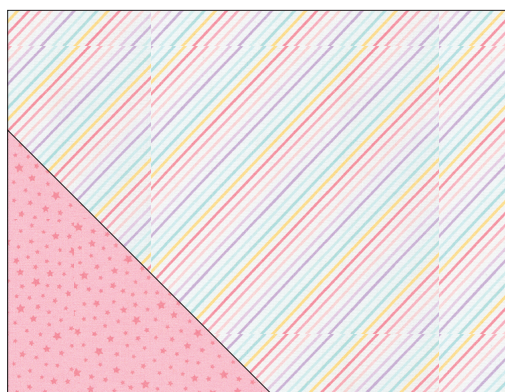

Step 2: Repeat Step 1 at the remaining end of the rectangle. The resulting flying geese block should measure 5-1/2" x 3". Repeat to make a second flying geese unit.

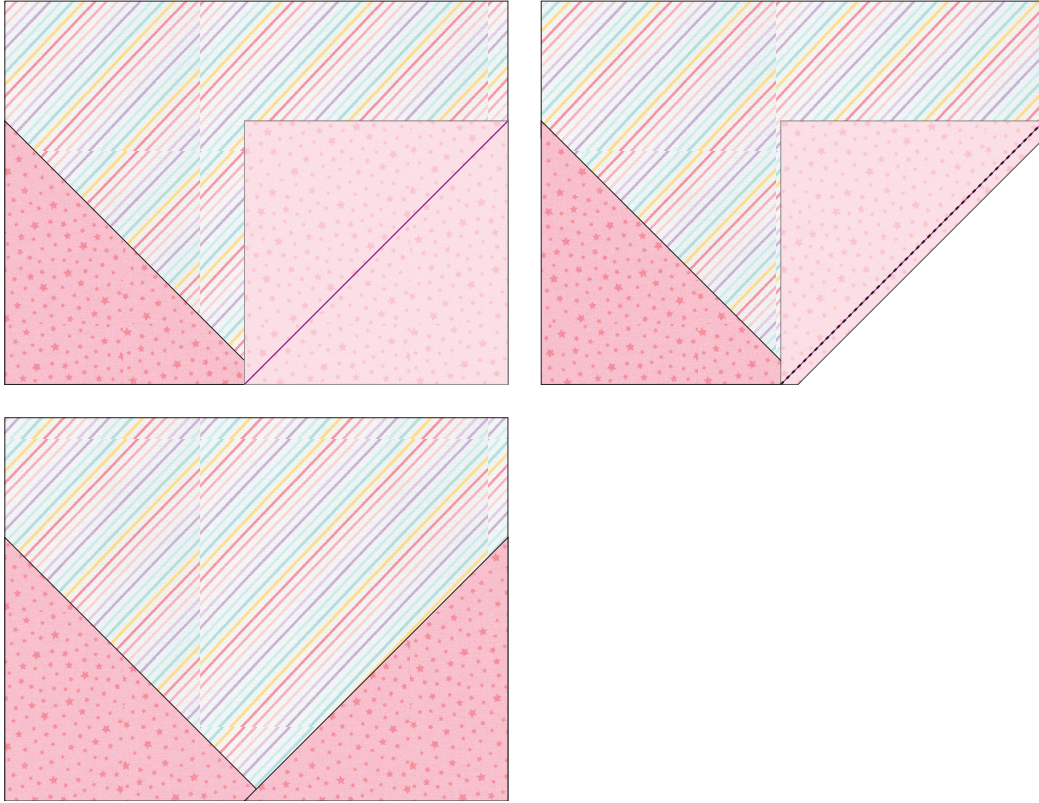

Step 3: Sew the two flying geese units together along one short side. Press.

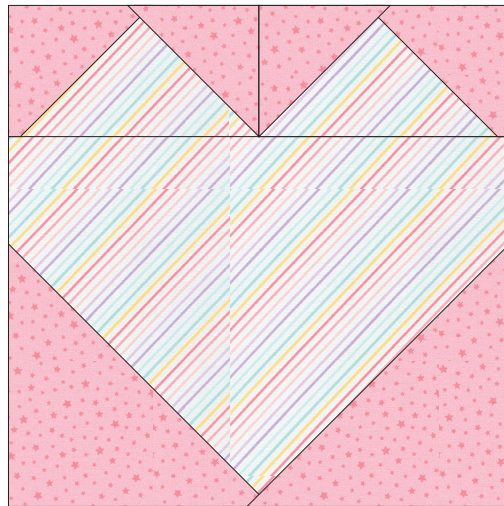

Step 4: Place a 5-1/2" Fabric I square RST in the lower left corner of the 10-1/2" x 8" Fabric A rectangle. Mark a diagonal line on the wrong side of the square, as shown. Sew on the marked line and trim away the excess fabric, leaving a 1/4" seam allowance. Press toward the triangle.

Step 5: Repeat Step 4 in the lower right corner of the Fabric A rectangle. The resulting block should measure 10-1/2" x 8".

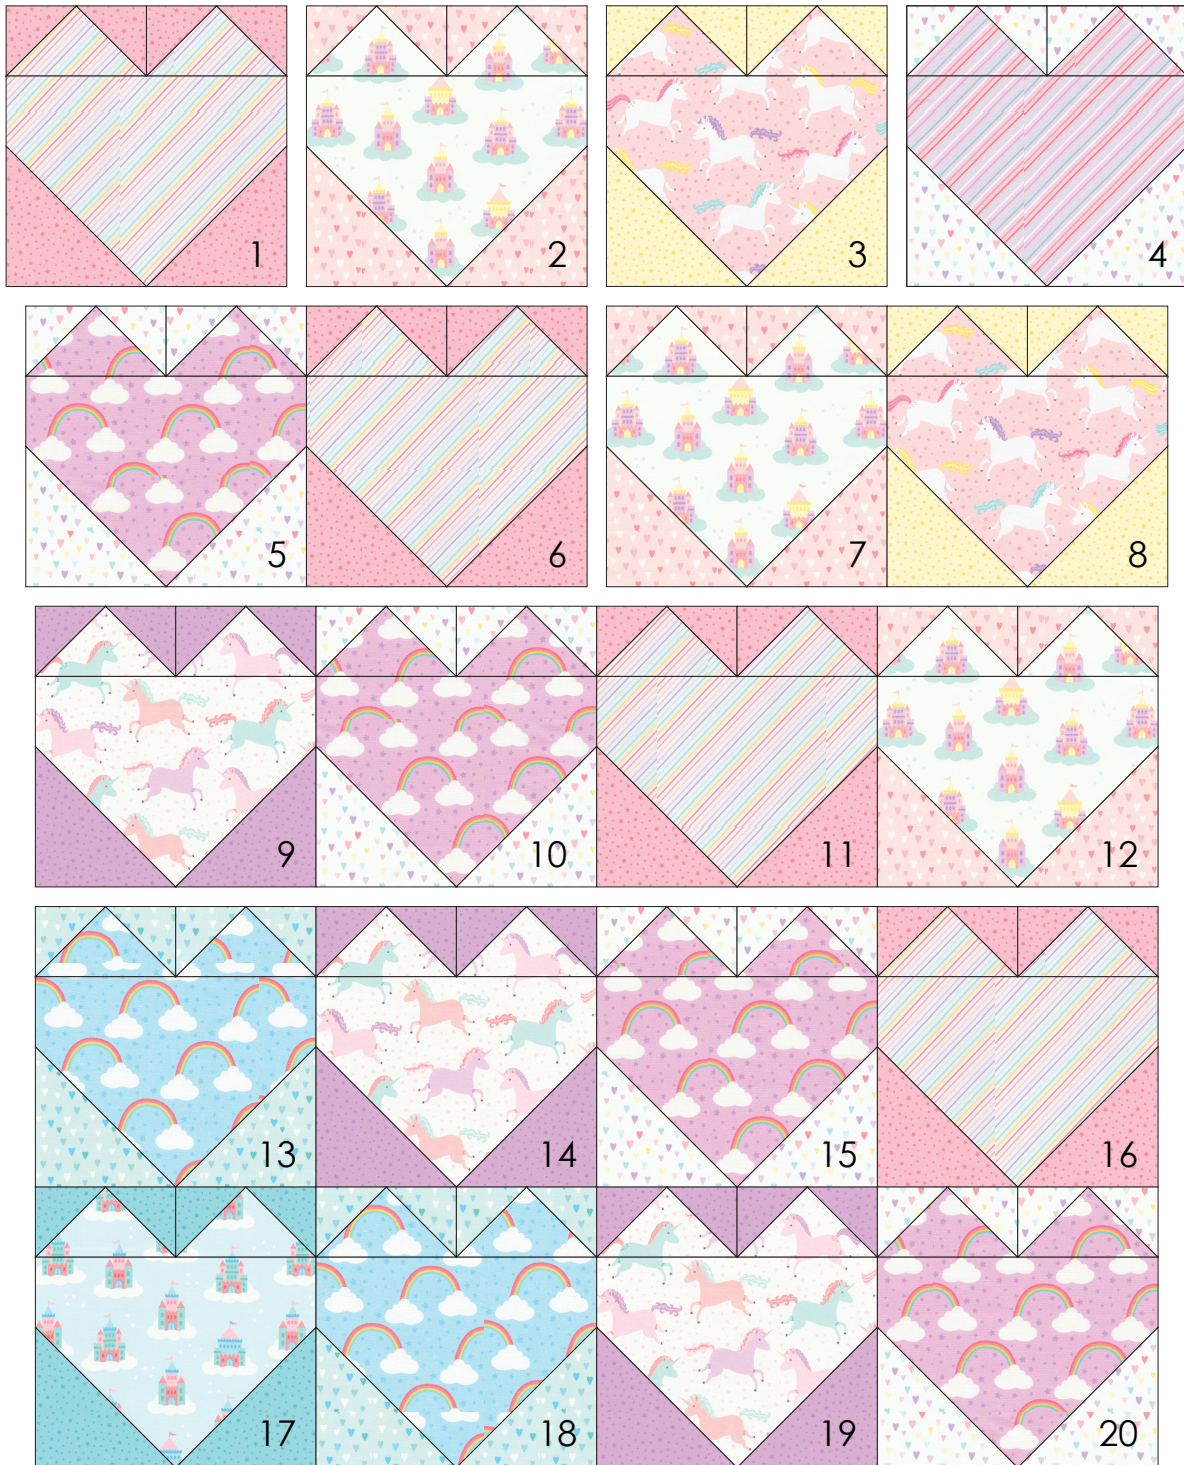

Step 6: Sew the flying geese pair from Step 3 to the top of the block. Press. The block should measure 10-1/2" square.

Repeat Steps 1-6 for each of the remaining pairs of heart and background fabrics to make a total of twenty blocks.

Assemble the Quilt

Step 7: Arrange the blocks into five rows of four blocks. Note the fabric placement in the Quilt Assembly Diagram.

Step 8: Sew the blocks together to form rows. Press the rows to the left in the odd numbered rows and to the right in the even numbered rows.

Step 9: Sew the rows together to form the quilt center. Press the row seams open.

Your quilt top is complete! Baste, quilt, bind and enjoy!
