Assemble the Quilt Center

Step 1: Sew the 1-1/2" x 40-1/2" panel frame pieces to the sides of the quilt panel. Press toward the strips. Sew the 1-1/2" x 22-1/2" panel frame pieces to the top and bottom of the quilt panel. Press toward the strips.

Step 2: Mark a diagonal line on the back of each Fabric B 2-1/2" square. Place each square RST at the end of each 6-1/2" Fabric C piece. Sew on the marked diagonal, then trim the excess fabric away, leaving a 1/4" seam allowance. Note the quantities for each orientation. These will be referred to as the Angled Border.

Make 2

Make 14

Step 3: Sew the Angled Border pieces together as illustrated, paying careful attention to the orientation. Sew the side pieces to the quilt center first, then the top and bottom pieces, pressing all toward the angled border.

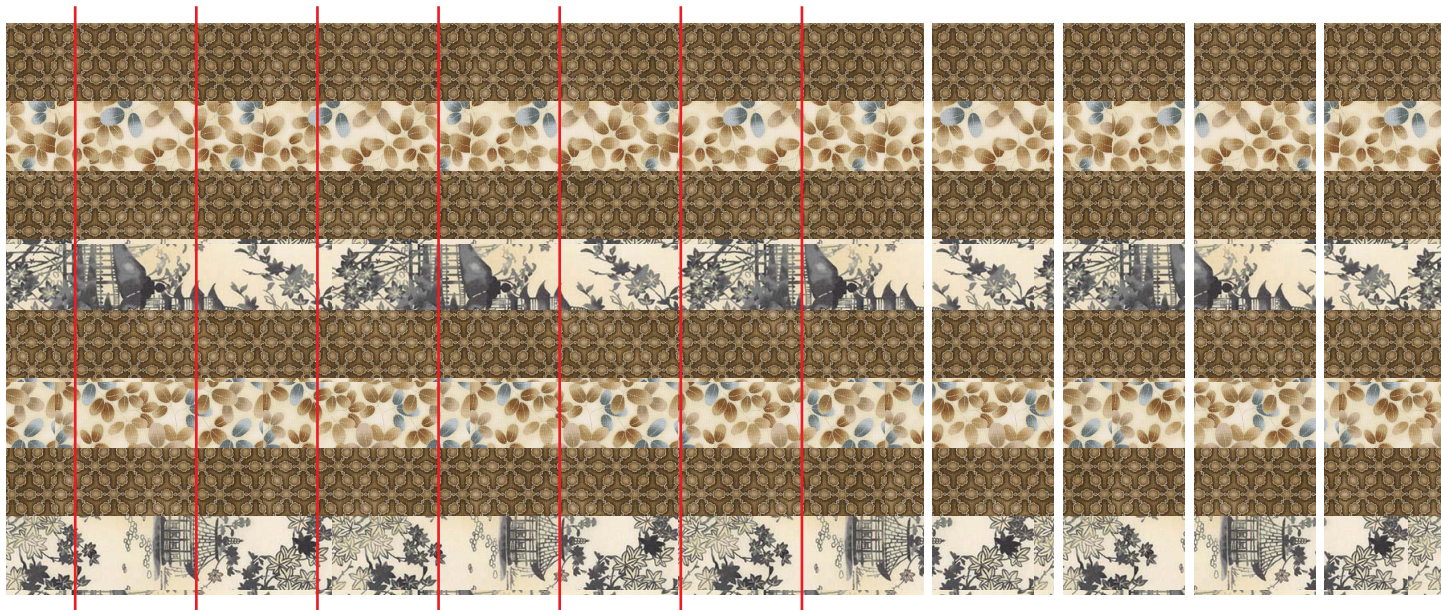

Assemble the Strip Pieced Border

Step 4: Sew the 2-1/2" strip piecing units together along the longest sides, in the following order:

Fabric E - Fabric C - Fabric E - Fabric D - Fabric E - Fabric C - Fabric E - Fabric D.

Press all seams to one side. Cut the strip pieced unit into 3-1/2" wide units.

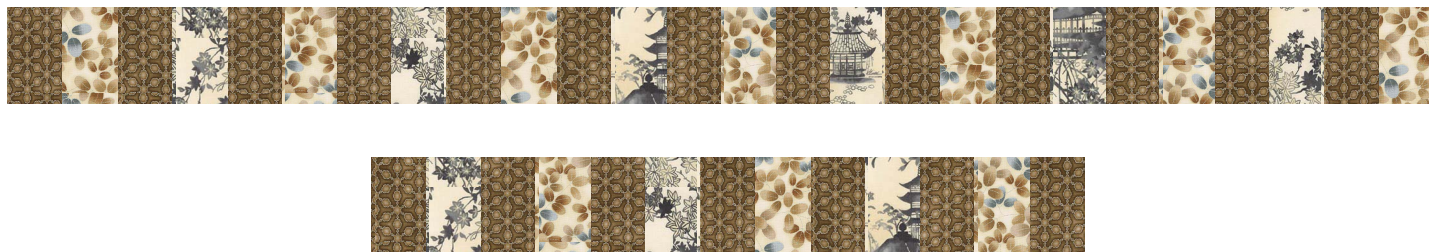

Step 5: Sew the units from Step 4 together, along the short sides, until there are two units comprised of thirteen pieces and two units comprised of twenty-three pieces. Some pieces from the strip pieced units will need to be separated with a seam ripper to achieve the exact number needed.

This will yield:

two side units 3-1/2" x 46-1/2"

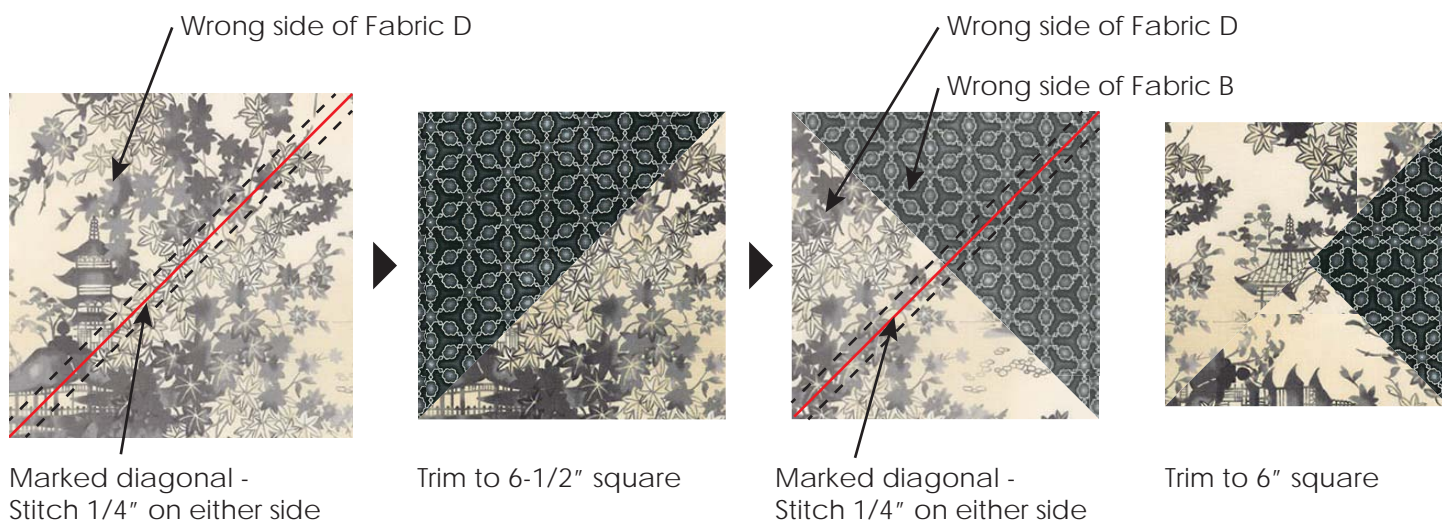

two top and bottom units 3-1/2" x 26-1/2"

Step 6: Sew a 46-1/2" unit from Step 5 between a 46-1/2" Fabric F and Fabric G strip. Press away from the center of the strip. Repeat to make a second side border. Sew a 26-1/2" unit from Step 5 between a 26-1/2" Fabric F and Fabric G strip. Press away from the center of the strip. This is the top Strip Pieced Border. Repeat to make the bottom Strip Pieced Border.

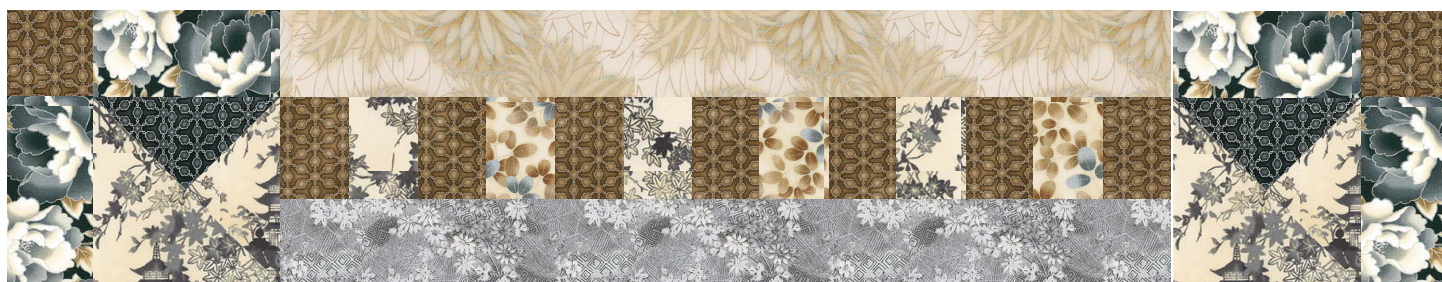

Step 7: Place the 7-1/4" Fabric B and D squares RST. Mark a diagonal line on the wrong side of one square. Sew 1/4" away from both sides of the marked line. Cut along the line and press the seam to one side, creating two HSTs. Trim to 6-1/2" square. Place a 6-1/2" Fabric D square RST with each of the HSTs. Repeat the HST process with both blocks, being sure to place the marked line perpendicular to the seam on the HST. Trim each of the four resulting blocks to 6" square.

Step 8: Gather one block from Step 7, 3" x 6" Fabric H rectangles and one 3" Fabric E square. Sew together into two rows of two to create the corner blocks, pressing seams to one side. Note the orientation of each of the four blocks- there are two blocks of each orientation.

Step 9: Sew one block from Step 8 to each end of a top/bottom Strip Pieced Border unit. Note the orientation of the blocks in the illustration. Press seams away from the blocks. Repeat with the remaining top/bottom border piece.

Step 10: Sew the side Strip Pieced Border units to the sides of the quilt. Press toward the border. Sew the borders from Step 9 to the top and bottom of the quilt, noting the orientation in the Quilt Assembly Diagram. Press seams toward the border.

Add the Final Borders

Quilt Assembly Diagram

Step 11: Sew the 62-1/2" Fabric B strips to the sides of the quilt. Sew the 45-1/2" strips to the top and bottom of the quilt. Press all seams toward the outer border.

Step 12: Sew the 4" x 5" Fabric B rectangles to either end of the Fabric H 4" x 45-1/2" border pieces. Press toward the rectangles. Repeat to create a second border unit.

Step 13: Sew the 5" x 65-1/2" Fabric H strips to the sides of the quilt. Sew the units from Step 12 to the top and bottom of the quilt. Press all seams toward the outer border.

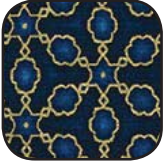

Your quilt top is now complete! Baste, quilt, bind and enjoy!
