Assemble the Quilt

Note: specific fabrics for the squares are not called by letter in the following instructions, but if you should wish for your quilt to match the cover sample, the cutting has been written to match it. Simply refer to the Quilt Assembly Diagram for fabric placement OR choose a layout of your own, setting aside four Fabric D squares for the outer corners.

Step 1: Sew six squares together in three rows of two to create the quilt center. Press square seams in opposite directions before nesting the seams and pressing the row seams open.

Step 2: Sew the Fabric C top/bottom inner borders to the quilt center. Press. Sew the Fabric C side inner borders to the quilt center. Press.

Step 3: Sew four squares together, press, and sew to the left edge of the quilt center. Repeat for the right edge of the quilt center. Sew five squares together, press, and sew to the top edge of the quilt center. Repeat for the bottom edge of the quilt center.

Step 4: Sew the Fabric B top/bottom middle borders to the quilt center. Press. Sew the Fabric B side middle borders to the quilt center. Press.

Step 5: Sew seven squares together, press, and sew to the left edge of the quilt center. Repeat for the right edge of the quilt center. Sew eight squares together, press, and sew to the top edge of the quilt center. Repeat for the bottom edge of the quilt center.

Step 6: Sew the Fabric A side outer borders to the quilt center. Press. Sew a Fabric D square to each end of the Fabric A top/bottom outer borders to the quilt center, noting the orientation of the print in the fabric. Press. Sew to the top and bottom of the quilt. Press.

Your quilt top is complete. Baste, quilt, bind and enjoy!
