Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!
Cutting Instructions

From Fabric A, cut:
two 22-1/2" x WOF strips. Subcut:
   four 22-1/2" squares.

Assemble the Pillow

Step 1: Center a zipper RST on one edge of a Fabric A square. Pin or clip in place, then sew along the edge using a zipper foot.

Step 2: Open and press the fabric away from the zipper.

Step 3: Repeat to add a second Fabric A square to the opposite side of the zipper.

Step 4: Open the zipper halfway, then align the edges of the Fabric A squares, RST, and pin or clip them together.

Step 5: Sew around the perimeter of the squares, overlapping the ends of the zipper so the zipper disappears into the seam. Be sure to backstitch at each end of the seam and sew carefully across the zipper.

Step 6: Turn the pillow cover right sides out through the open zipper.

Step 7: Insert the pillow form into the pillow cover and zip it closed. Repeat to make a second pillow cover and enjoy!
