Courthouse Step Assembly

The quilt is composed of 25 courthouse steps blocks - thirteen of Block A and twelve of Block B. The diagrams below indicate how to construct each block based on the color-way. Start at the center of the block and sew pieces together as in log cabin block, working toward the outermost pieces.

Reference the cutting chart on the previous page when sewing each block. Sew with a 1/4" seam allowance. Please remember to press the seams open.

BLOCK A

BLOCK B

Assemble the Quilt

The design of the quilt is composed of five rows of five blocks blocks (Block A and Block B). The Quilt Assembly Diagram indicates which courthouse steps block to use for each row. Sew the blocks into rows, using a 1/4" seam allowance. Then sew the rows together to form the quilt top. Press the seams open.
