For individual use only - Not for resale

You will also need:  
3-2/3 yards for backing

## Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

## Cutting Instructions

*Note: If you wish to mimic the look of the cover image exactly, cut all of Fabrics B-O using the instructions below for Fabrics F-O. This will give you extra pieces to be able to match the cover exactly. Additionally, you will want to cut four extra Fabric A squares. Doing this method, you will have four extra Step 2 units to use when laying out your quilt. No extra yardage is needed for this option.*

### **From Fabric A, cut:**

fourteen 6-1/2" x WOF strips. Subcut:  
    eighty 6-1/2" squares for the block units  
sixteen 2-1/2" x WOF strips. Sew together, end-to-end, then trim:  
    fifteen 2-1/2" x 12-1/2" block sashing strips  
    four 2-1/2" x 54-1/2" row sashing strips  
    two 2-1/2" x 68-1/2" side outer borders  
    two 2-1/2" x 58-1/2" top/bottom outer borders

### **From each of Fabrics B-E, cut:**

one 5-1/2" x WOF strip. Subcut:  
    five 5-1/2" squares  
one 4" x WOF strip. Subcut:  
    five 4" squares

### **From each of Fabrics F-O, cut:**

one 5-1/2" x WOF strip. Subcut:  
    six 5-1/2" squares  
one 4" x WOF strip. Subcut:  
    six 4" squares

### **From the Binding Fabric, cut:**

seven 2-1/2" x WOF strips

## Assemble the Blocks

**Step 1:** Place a 4" Fabric B square in the upper left corner of a Fabric A square, right sides together. Mark a diagonal line on the smaller square, as shown. Sew on the marked line, then trim away the excess fabric, leaving a 1/4" seam allowance. Press. Repeat on the lower left corner with a 5-1/2" Fabric B square, noting the orientation of the marked line.

**Step 2:** Repeat Step 1 with all remaining Fabric A squares, to make a total of eighty 6-1/2" square units.

**Note:** Several of the fabrics have a directional print. If you wish for these to remain 'right reading' in the final quilt, you may wish to make each block (Step 3) one at a time, rather than making all eighty Step 2 units at once. To do this, you will place some of the print squares in the upper right/lower left, as shown.

**Step 3:** Gather four completed Step 2 units and arrange in a two by two layout, as shown. Sew together to form rows, pressing the seams in opposite directions. Sew the rows together and press. The resulting block will measure 12-1/2" square.

## Assemble the Quilt

**Step 4:** Arrange the Blocks together as indicated in the Quilt Assembly Diagram. Sew each row together, using sashing strips between each block. Press seams toward the sashing. Repeat to make five block rows.

**Step 5:** Sew the sashing and block rows together, pinning and nesting the seams. Press seams open or to the sashing.

**Step 6:** Sew the side outer borders to the sides of the quilt center. Press toward the borders. Sew the top and bottom outer borders to the quilt center. Press toward the borders.

Your quilt top is complete! Baste, quilt, bind and enjoy!
