Cutting for the Black Colorstory:

(For other Colorstories, see Alternate Cutting at the end of the pattern)

Tip: for Fabric A pieces, it is recommended to mark each piece with a sticky note or disappearing fabric marking pen. This will make final assembly organized and easier. Also, cut each Fabric A piece in the order in which it is listed, in order to maximize the yardage and full width of each cut.

For pieces cut for the blocks, stack pieces in piles for each block, #1-11. This will expedite the block piecing process.
