Pattern Notes

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 40" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions - On Point Layout

Separate all the squares by color, then cut them in half horizontally and vertically to make 5" squares in the following quantities (some ten square pieces of each color will be extra):

- one hundred fifty-six Essex Black 5" squares (use 39 ten squares)
- seventy-eight Black 5" squares (use 20 ten squares)
- seventy-eight Snow 5" squares (use 20 ten squares)

From the binding fabric, cut:

- eight 2-1/2" x WOF strips

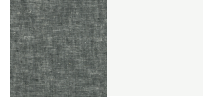

Note: For the purposes of this pattern, Fabric B (the half Black and half Snow ten square) will now be divided and referred to as Fabric B (Black) and Fabric C (Snow).

If cutting from yardage, cut:

- Essex: twenty 5" x WOF strips, then subcut one hundred fifty-six Essex Black 5" squares
- Black: ten 5" x WOF strips, then subcut seventy-eight Black 5" squares
- Snow: ten 5" x WOF strips, then subcut seventy-eight Snow 5" squares

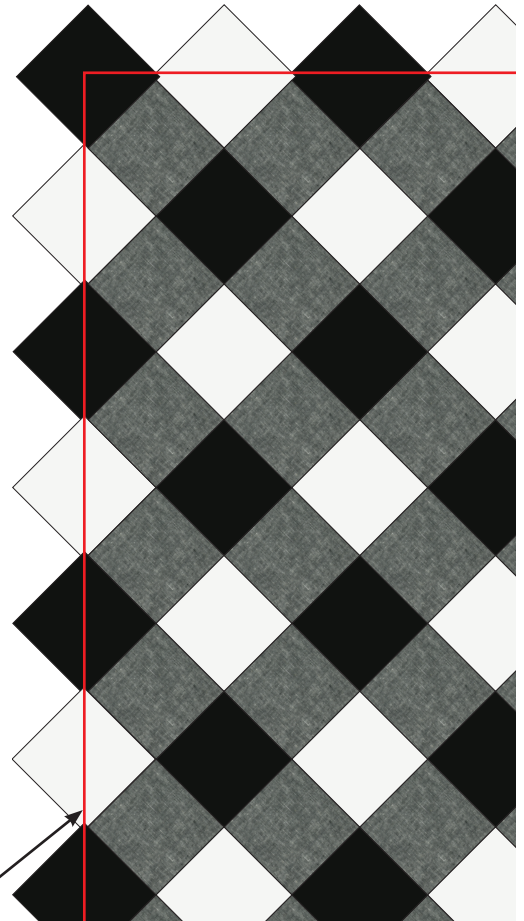

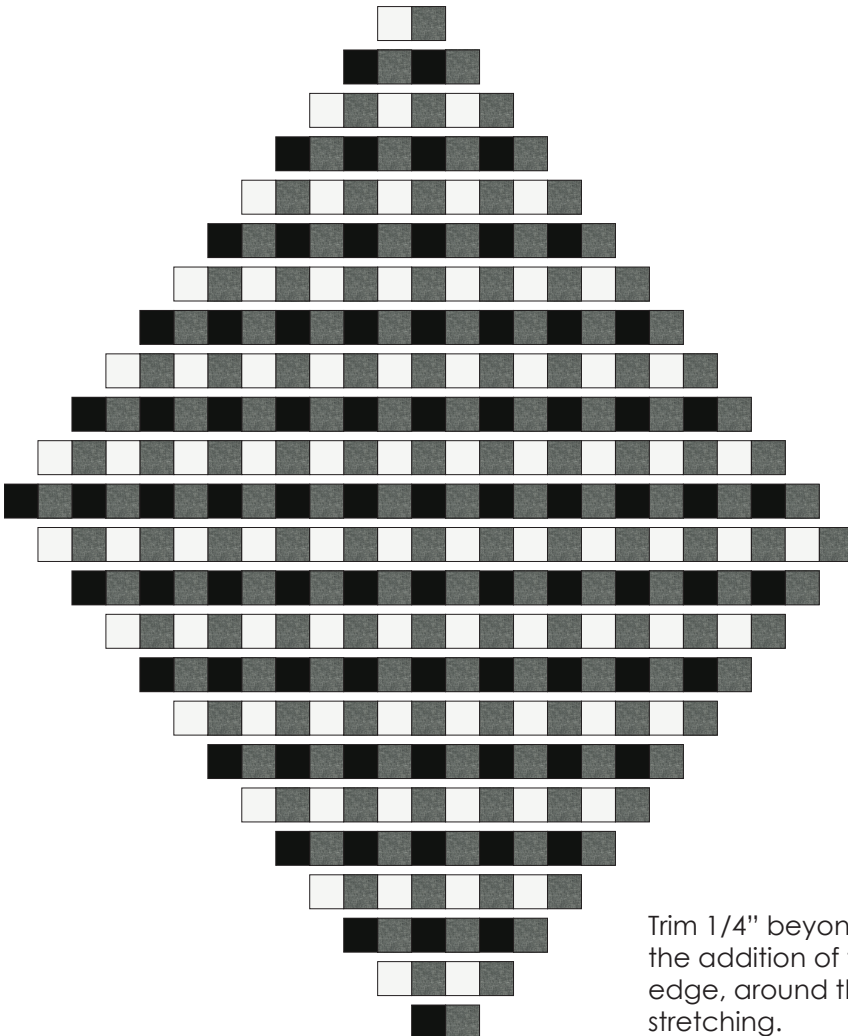

Assembly - On Point Layout

Sew together a Fabric C square with a Fabric A square. Make seventy-eight pairs.

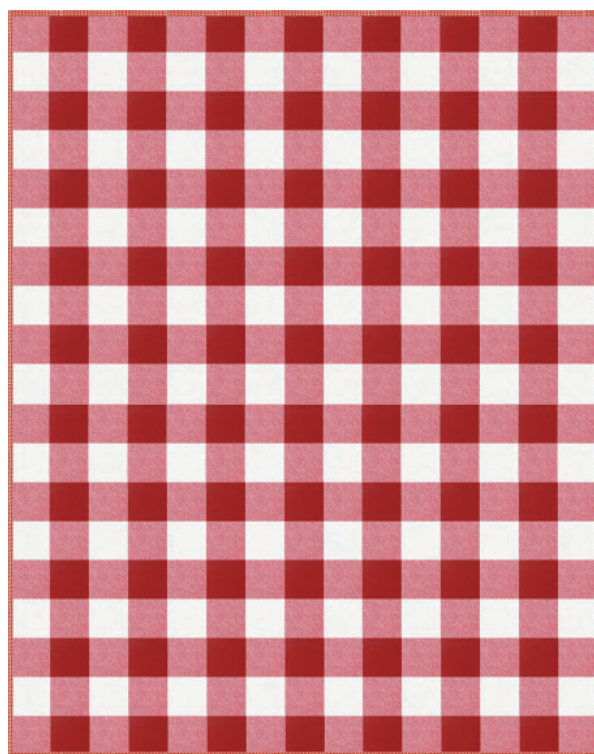

Sew together a Fabric A square with a Fabric B square. Make seventy-eight pairs.

Sew the pairs together to make the following rows. Press seams to the right in the rows with Fabric B and to the left in rows with Fabric C. Then sew the rows together, matching and nesting seams, and trim of excess to yield a rectangular quilt. Take care to leave a 1/4" seam allowance beyond the seam intersections, as illustrated.

Trim 1/4" beyond the seam intersection, allowing room for the addition of the binding. Consider stay stitching 1/8" from edge, around the entire quilt, to prevent the bias edges from stretching.
