1. Using the placement guide as reference, pin two Fabric O popsicle stick pieces in place on one 3" x 5-1/2" Fabric P (background) rectangle. Use image below as a placement guide.
2. Machine baste around the curve of the shape using a 1/4" seam allowance.

4. Repeat steps 1-3 for a total of seven units.
5. Using the placement guide below as a reference, pin one popsicle (Template B) piece in place on one 5-1/2" background square. Machine baste the curve of the Template B piece using a 1/4" seam allowance.
6. Pin two popsicle accents in place, again using the image below as a placement guide. Each accent piece will be 1/8" away from the sides of the main popsicle. Tip: once both accents are placed together, unpin and remove one. Baste and hand stitch the

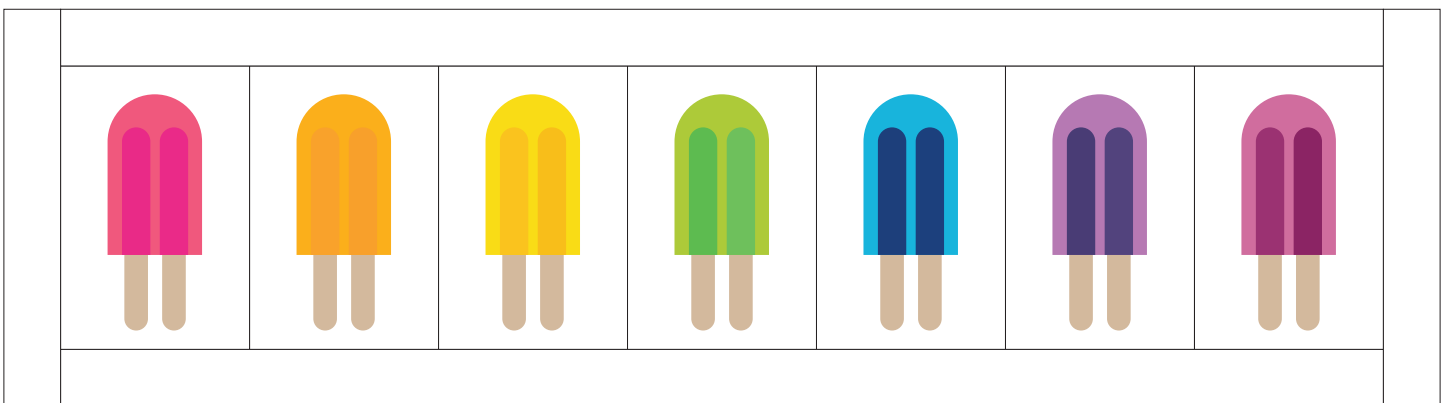

remaining accent in place completely to avoid any overlap with the second accent. Then, place and stitch the second accent piece in place.

7. Using matching thread & needle, turn edges and whip stitch in place. Straight ends will remain unsewn, with raw edges matched to the edge of the background rectangle.
