Assembly Instructions:

This Quilt is made up of half-square triangles. Follow the directions below on how to make half-square triangles. Refer to the Pairs list to make the listed number of blocks.

- Place one 3-7/8" square (Listed first) on top of one 3-7/8" square (listed second), right sides together. Draw a diagonal line through the center of the top block (Fig. 1).
- Sew 1/4" away from the drawn diagonal line on each side (Fig. 2).
- Cut the squares across the drawn diagonal line to make two half-square triangles (Fig. 3).
- Open each half-square triangle formed and press.
- Follow the Pairs list to make the correct number of half-square triangles.
NOTE: Remember one square of each make two half-square triangles.
- Layout the half-square triangles following the quilt photo
- Sew the half-square triangles into rows. This will make matching the points much easier. Sew the rows together to make the quilt top.
- Sew one 3" x 48-1/2" Border strip to each side of the quilt top. Sew one 3" x 53-1/2" Border strip to the top and bottom of the quilt top.
- Layer, quilt and bind as desired.
