Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

From each of Fabrics A and B, cut:

two 8-1/2" x WOF strips

Assemble the Scarf

Step 1: Sew the two Fabric A strips together, end-to-end, forming one long strip. Press the seam open. Repeat for the two Fabric B strips.

Step 2: Place the two strips right sides together. Pin along both long edges. Sew along both long edges, starting and stopping your stitches 1/2" from each end. Press the seams open. This will help with the final pressing step.

Step 3: Turn the scarf right side out. Twist the scarf 1-2 times, then match the raw edges of the same fabrics together at the opening: Fabric A to Fabric A and Fabric B to Fabric B.

Step 4: Pin the raw edges of the fabric together, matching A to A and B to B, with right sides together. Note: you will not be able to pin the entire way around the opening.

Step 5: Sew around the opening, using a 1/2" seam allowance. Sew as far as you can around the opening, then backstitch and remove the scarf from your machine.

Step 6: Hand stitch the remainder of the opening closed. Press along all of the seams to finish.

Your scarf is complete! Wear and enjoy!
