Assemble the Blocks

Step 1: Place a 4-1/2" Fabric M square in the upper right corner of a Fabric B square, right sides together. Note the orientation of the marked diagonal line. Sew on the marked line, then trim away the excess fabric, leaving a 1/4" seam allowance. Press. Repeat to make a total of four Fabric B Blocks. Two additional B squares will not have M corners. *Note: in Fabrics C-F, you will have one 6-1/2" square that remains a plain square, without a Fabric M corner.*

Step 2: Repeat Step 1 to make a total of:

five
Fabric C Blocks

seven
Fabric D Blocks

nine
Fabric E Blocks

eleven Fabric F
Blocks

twelve
Fabric G Blocks

eleven
Fabric H Blocks

nine
Fabric I Blocks

seven
Fabric J Blocks

five
Fabric K Blocks

four
Fabric L Blocks

Assemble the Quilt

Step 3: Arrange the blocks into thirteen diagonal rows. Note the fabric placement in the Quilt Assembly Diagram.

Step 4: Sew the blocks and sashing strips together to form the rows. Press the seams toward the blocks.

Step 5: Sew the rows together to form the quilt center, placing the specific lengths of row sashing strips between each row as indicated in the Quilt Assembly Diagram. Note that the row sashing strips are longer than necessary, to allow for trimming. Simply center the strips along a row and proceed. Press. Tip: Align the seams from the blocks and block sashing strips in one row to the seams from the blocks in another row as you sew a row sashing strip between them.

Step 6: Trim the quilt to size, approximately 62" x 79."

For the left and right edges, cut at the finished top points of the Fabric M triangles. For the bottom and top edges, cut at the finished outer left and right points of each block.

Your quilt top is complete!
Baste, quilt, bind and enjoy!
