## Assemble the Quilt

**Step 28:** Align the center seams of Rows 1-6 and sew them together. Press the seams toward the sashing.

**Step 31:** Align the square portions of Rows 8 and 9 as shown, then sew Row 8 to the top of the unit you created with Rows 9-14. Press the seam toward the sashing.

**Step 32:** Align the two units you have created with one another as shown, then sew them together. Press the seam toward the sashing.

**Step 33:** Trim the quilt top to approximately 51" x 65", cutting off the ends of each row to square up the quilt. Because the outer edges of the quilt are now bias edges, you may wish to sew a line of stay-stitching around the outermost edge of the quilt, 1/8" from the edge. This will prevent the quilt top from stretching during quilting.

Your quilt top is complete! Baste, quilt, bind, and enjoy!
