**Step 2** Using the 2" x 9-1/2" sashings, sew matching sashing strips to the top and bottom of each embroidered block. Press toward the sashing.

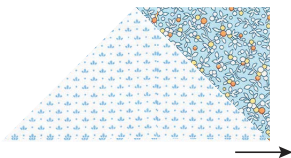

**Step 3** Using the matching 2" x 12-1/2" sashing strips, sew to the sides of the blocks from Step 2. Arrange the blocks in two vertical rows of four blocks. Press the side sashes in alternating directions on the blocks. Sew the blocks together in rows. Press the seams to one side. Set aside.

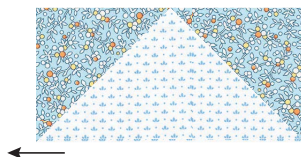

## Flying Geese Blocks

**Step 2** Sew a matching small bright triangle to the left side of the Step 1 units. Press toward the smaller triangle. Repeat to make forty-eight flying geese units. You will have four small triangles left over. At this point the unit should measure 3-1/2" x 6-1/2".
