## Assemble the Quilt

Arrange the cut pieces into columns to match the Quilt Assembly Diagram.

Note: Should you wish to chain piece parts of the quilt top, the color order for Columns 1-6 is repeated for Columns 7-12. Example: Columns 1 & 7 are the same, 2 & 8, etc.

Pair triangles cut from Template A, right sides together, and sew.

*Tip: Be careful to align using the notches on the template. This will help keep your points when piecing the final columns.*

Begin and end each column with a Template B and a Template C piece.

Press seams up in odd numbered columns and down in even numbered columns.

Sew the columns together in pairs, then sew pairs together, continuing until you are sewing two halves together to form the quilt top. Press column seams open.

Your quilt top is complete. Baste, bind, quilt and enjoy!
