Assembly Instructions

Step 1: Mark all of the triangles at the center point of the long edge.

Step 2: Match the center point of a Fabric B triangle to the center of one of the sides of the Fabric A square.

Sew, with right sides together.

Repeat on the opposite side.

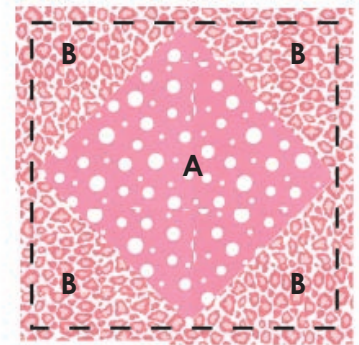

Step 3: Trim off the dog ears of the Fabric B triangles, and press seams away from the center.

Step 4: Sew the remaining Fabric B triangles to the remaining two sides of the Fabric A square.

Step 5: Press seams away from the center, then square up the new square, trimming excess fabric 1/4" from the corners of the inner square.

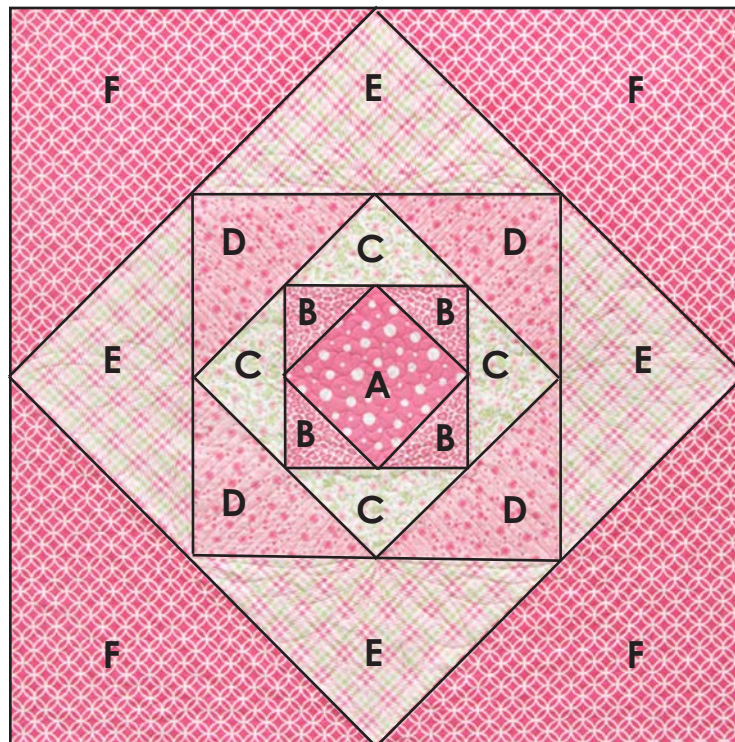

Step 6: Match the center point of a Fabric C triangle to a Fabric A corner, aligning the raw edges of Fabric B and C.

Sew Fabric C along two sides, press away from the center, trim off dog ears, then sew Fabric C to the remaining two sides.

Press and trim to square up.

Repeat this process, adding Fabrics D, E and F until the quilt measures 50" x50".

Baste, quilt, bind and enjoy!
