Hourglass Blocks

Step 1: With the background fabric on top, sew the triangles together on the right side. Press toward the darker triangle.

Step 2: Join matching triangles to make an hourglass block. Repeat to make twelve blocks of each print (Fabrics B-L). Pop a few threads in the center of the block. Press the seam allowances to spin around the center. At this point the blocks should measure 4-1/2" square.

Assembling the Quilt

Step 1: Arrange the hourglass blocks and the framed designs as shown in the diagram below. Sew together in sections. Join the sections into rows and then sew the rows together. Press seams open to reduce bulk.

Step 2: Sew the 1-3/4" x 40" Fabric N strips to the long sides of the framed long borders. Press toward the borders. Sew the 2-1/2" x 8-1/2" Fabric N strips to the short ends of the borders. Sew the framed corner blocks to the ends of the long borders.

Step 3: Sew the pieced borders to the sides of the quilt (refer to the quilt photo on page 1 for placement and direction of the borders). Press the seams toward the borders.

Finishing the Quilt

Step 1: Layer, baste and quilt as desired.

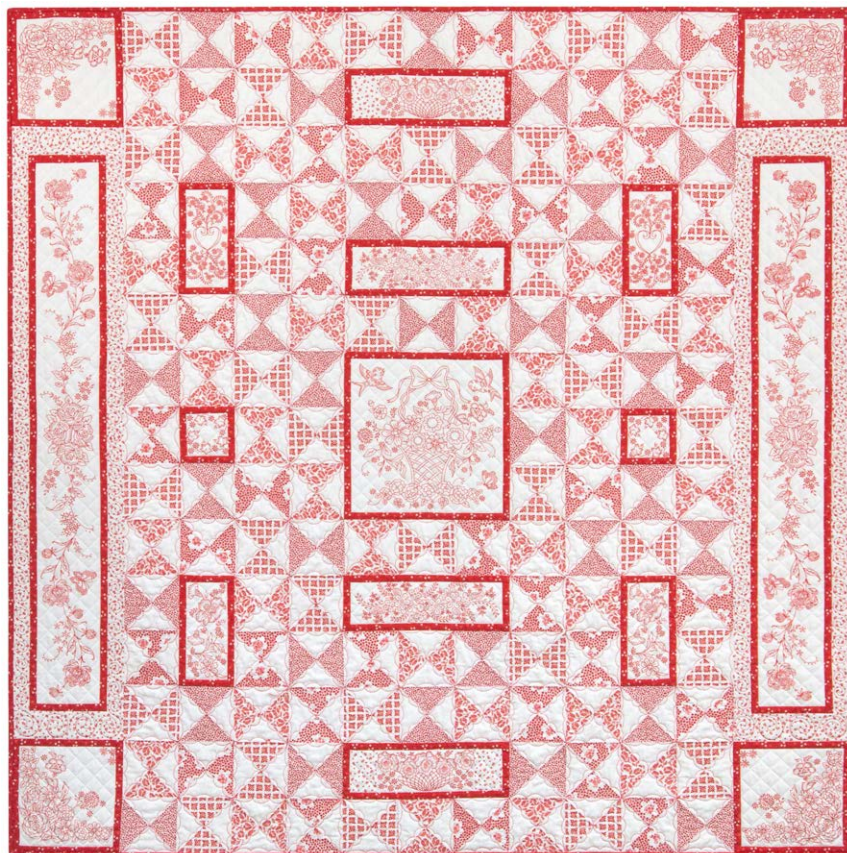

Step 2: Before binding, hand or machine-baste a scant 1/4" from the edge of your quilt to hold the layers together.

Step 3: Sew the 2-1/4" binding strips together with diagonal seams pressed open. Fold the binding in half, wrong sides together and press to make a double binding. Sew to the quilt with a 1/4" seam, mitering the corners.

Step 4: Trim the excess batting and backing. Turn the binding to the back side and stitch down by hand with matching thread.
