Notes Before You Begin

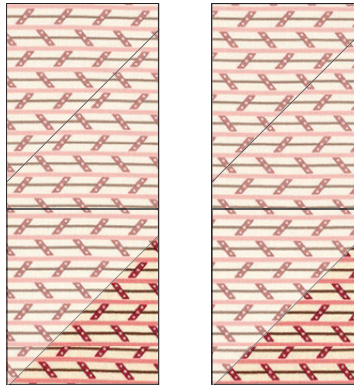

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

Cutting Instructions

Step 1 Divide the charm pack into twenty light squares and twenty dark squares. Cut a 5" Easy Angle from a dark square. Cut the remainder of the square into 2" strips. Cut three Easy Angle triangles from those strips. Repeat for each of the 20 dark squares.

Step 2 Cut each of the twenty light squares into two 2" x 5" strips. From those two strips cut six Easy Angle triangles.

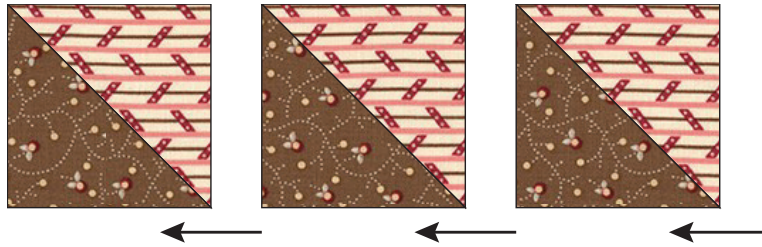

Step 3 Cut three 1" x WOF strips of Fabric CC for the inner borders. Sew together end-to-end.

Step 4 Cut four 2-3/4" x WOF strips of Fabric DD for the outer borders. Sew together end-to-end.

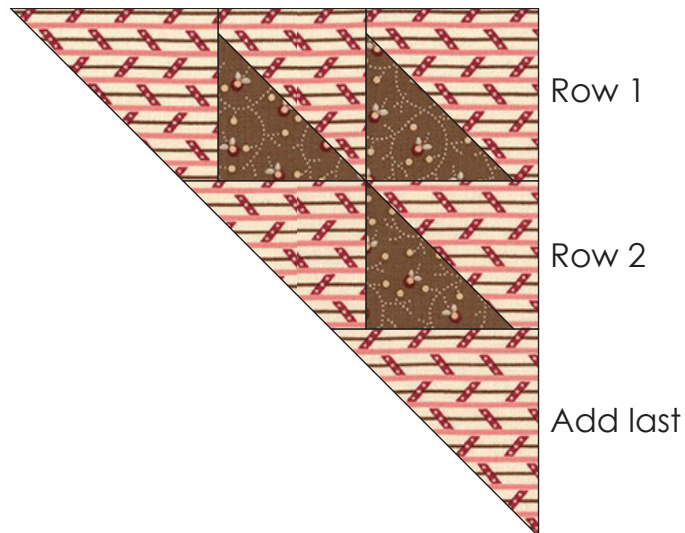

Step 5 Cut three 2-1/4" x WOF strips of Fabric DD for the binding.

Assemble the Block

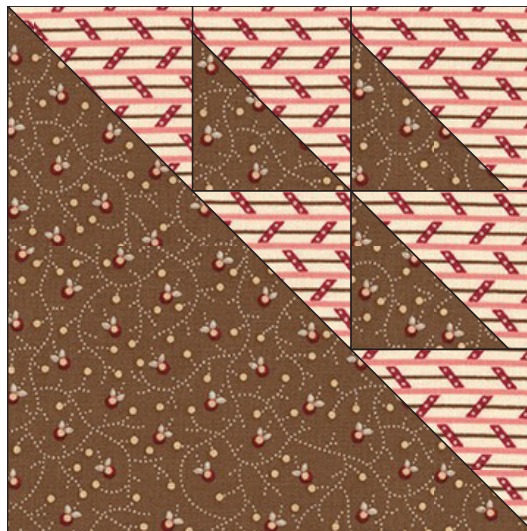

Step 1 Sew the three small dark triangles together with three light triangles to make 2" squares. Press toward the darker triangle.

Step 2 Sew three additional matching light triangles onto the Step 1 unit as shown. Press.

Step 3 Sew the large matching dark triangle to the matching Step 2 top. Repeat for each of the dark triangles, making 20 blocks.

Assembling the Quilt

Step 1 Sew the blocks together in five rows of four, using the Quilt Assembly Diagram for a placement guide. Press the seams open.

Step 2 Sew the rows together, matching and pinning seam intersections. Press the row seams open.

Adding the Borders

Step 1 Measure and trim two inner borders the width of the quilt. Sew to the top and bottom of the quilt. Press toward the borders. Repeat for the side borders.

Step 2 Measure and trim two outer borders the width of the quilt. Sew to the top and bottom of the quilt. Press toward the borders. Repeat for the side borders.
Your quilt top is now complete! Baste, bind, quilt and enjoy!
