### Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/2" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 57" wide.
- Remember to measure twice and cut once!

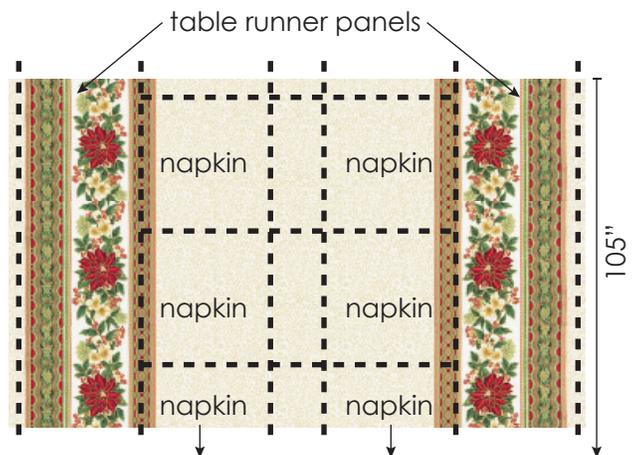

### Cutting Instructions

#### Tablecloth

- Cut one 107" x WOF piece. Leave selvages intact.

#### Table Runner & Napkins

- For the Table Runner: Cut two 11" x 105" lengths along the sides of the fabric as shown, cutting 1/2" away from each side of the decorative panel.
- For the Napkins: Cut sixteen squares 12-1/2" x 12-1/2" from remaining center fabric.

### Assembly Instructions

#### Table Runner

1. Sew the two long panels together RST along the longest edge using a 1/2" seam allowance. Be sure to match up the designs on the panels as closely as possible.
2. Finish the seam by pinking, zig-zagging or serging each seam allowance, then press the seam open.
3. On the short sides, press edge under 1/4" and then 1/4" again to encase the raw edge and then sew along pressed hem to secure.
4. Repeat on long sides, pressing under 1/4" twice and then sewing.

#### Napkins

1. Hem napkins the same way as the table runner. Press two opposite sides under 1/4" and then 1/4" and sew. Then repeat with the two remaining sides.

#### Tablecloth

1. Hem tablecloth the same way as the table runner, hemming short sides first and then long sides.

Enjoy your holiday table!
