## Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

## Cutting Instructions

### From each of the twenty Fat Quarters, cut:

two 5" squares for the Half-Square Triangles  
twelve 4-1/2" squares for the Flying Geese

### From Fabric A, cut:

fourteen 8-1/2" x WOF strips. Subcut:  
one hundred twenty 4-1/2" x 8-1/2" rectangles for the Flying Geese  
five 5" x WOF strips. Subcut:  
forty 5" squares for the Half-Square Triangles

### From the Binding, cut:

eight 2-1/2" x WOF strips.

## Assemble the Flying Geese

**Step 1:** Place a 4-1/2" Fat Quarter square RST at one end of a Fabric A rectangle. Mark a diagonal line on the wrong side of the square, as shown. Sew on the marked line and trim away the excess fabric, leaving a 1/4" seam allowance. Press toward the triangle.

**Step 2:** Repeat Step 1 at the remaining end of the rectangle. The resulting flying geese block should measure 4-1/2" x 8-1/2".

**Step 3:** Repeat with all remaining Fabric A rectangles, making six Flying Geese units from each of the twenty Fat Quarter prints.

## Assemble the Half-Square Triangles

**Step 4:** Pair a 5" Fabric A square with a 5" Fat Quarter print square, RST. Mark a diagonal line on the wrong side of one square. Sew 1/4" away from both sides of the marked line. Cut on the marked line, creating two half-square triangles (HSTs). Press toward the darker fabric. Trim to 4-1/2" square. Repeat to make four HSTs from each of the twenty Fat Quarter prints, each paired with Fabric A.

## Assemble the Blocks

**Step 5:** Gather four HSTs and six Flying Geese units, all from the same Fat Quarter print.

Arrange the units into three rows, as shown. Note the fabric placement and block orientation in the Block Assembly Diagram.

**Step 6:** Sew the units together to form the rows. Press the seams toward the center in the middle row and toward the HSTs in the top and bottom row.

**Step 7:** Sew the rows together, nesting the seams and pressing the seams to one side to form the block.

The resulting Block should measure 16-1/2" square. Repeat Steps 5-7 to make a total of twenty Blocks.

## Assemble the Quilt

**Step 8:** Arrange the blocks into five rows of four blocks. Note the fabric placement and block orientation in the Quilt Assembly Diagram.

**Step 9:** Sew the blocks together to form rows. Press the rows to the left in the odd numbered rows and to the right in the even numbered rows.

**Step 10:** Sew the rows together to form the quilt center. Press the row seams open.

Your quilt top is complete. Baste, quilt, bind and enjoy!
