## Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

## Cutting Instructions

### From Fabric A, cut:

one 60-1/2" x **length of fabric** piece. From this, cut:

one 10-1/2" x 60-1/2" piece for the left panel

one 20-1/2" x 60-1/2" piece for the right panel

From the remainder of the length of fabric piece, cut:

two 5-1/2" x LOF strips. Subcut these to yield a total of:

twenty 5-1/2" squares for the flying geese

From the remaining yardage, cut:

four 5-1/2" x WOF strips. Subcut:

twenty-eight 5-1/2" squares for the flying geese, for a total of forty-eight

### From Fabrics B-M, cut a total of:

twenty-four 5-1/2" x 10-1/2" rectangles for the flying geese

TIP: Cut 5-1/2" x WOF strips, then subcut 5-1/2" x 10-1/2" rectangles.

### From the Binding Fabric, cut:

six 2-1/2" x WOF strips

## Assemble the Blocks

**Step 1:** Place a 5-1/2" Fabric A square RST at one end of a Fabric B rectangle. Mark a diagonal line on the wrong side of the square, as shown. Sew on the marked line and trim away the excess fabric, leaving a 1/4" seam allowance. Press toward the triangle.

*Note: To avoid having a directional fabric be upside down in the final quilt, decide where the directional prints will be placed and sew the flying geese unit in the appropriate direction.*

**Step 2:** Repeat Step 1 at the remaining end of the rectangle. The resulting flying geese block should measure 5-1/2" x 10-1/2".

**Step 3:** Repeat with all remaining 5-1/2" x 10-1/2" rectangles to create twenty-four flying geese blocks.

## Assemble the Quilt

**Step 4:** Arrange twelve flying geese blocks to form a column, making sure that all flying geese blocks point up. Arrange the twelve remaining flying geese to form a second column, this time pointing down. Move and swap the blocks until you have a pleasing arrangement of fabrics, color and value.

**Step 5:** Sew each column together, pressing seams up in the left column and down in the right column.

**Step 6:** Sew the two columns together, nesting the seams and pressing the seam open.

**Step 7:** Sew the 10-1/2" x 60-1/2" Fabric A panel to the left edge of the flying geese unit. Sew the 20-1/2" x 60-1/2" Fabric A panel to the right edge of the flying geese unit. Press the seams toward the Fabric A panels.

Your quilt top is complete! Baste, quilt, bind and enjoy!
