Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 44" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

From Fabric A, trim the panel to:

one 20-1/2" x 40-1/2" rectangle

From Fabric B, cut:

four 3" x WOF strips. Trim to yield:

two 3" x 40-1/2" side borders

two 3" x 30-1/2" top/bottom borders

seven 4-1/2" x WOF strips. Sew the strips together, end-to-end, then trim to yield:

two 4-1/2" x 70-1/2" side outer borders

two 4-1/2" x 58-1/2" top/bottom outer borders

From Fabric C, cut:

four 3" x WOF strips. Trim to yield:

two 3" x 40-1/2" side borders

two 3" x 30-1/2" top/bottom borders

four 3-3/8" x WOF strips. Subcut:

forty-four 3-3/8" squares for the flying geese

From Fabric D, cut:

five 5-1/2" x WOF strips. Subcut:

two 5-1/2" x 30-1/2" top/bottom borders

Sew the remaining strips together, end-to-end, then trim to yield:

two 5-1/2" x 50-1/2" side borders

From Fabric E, cut:

four 5-1/2" squares

From Fabric F, cut:

four 3" x WOF strips. Subcut:

forty-four 3" squares

two 6-1/4 x WOF strips. Subcut:

eleven 6-1/4" squares for the flying geese

From each of Fabrics G-J, cut:

two to three 5-1/2" squares, for a total of eleven squares

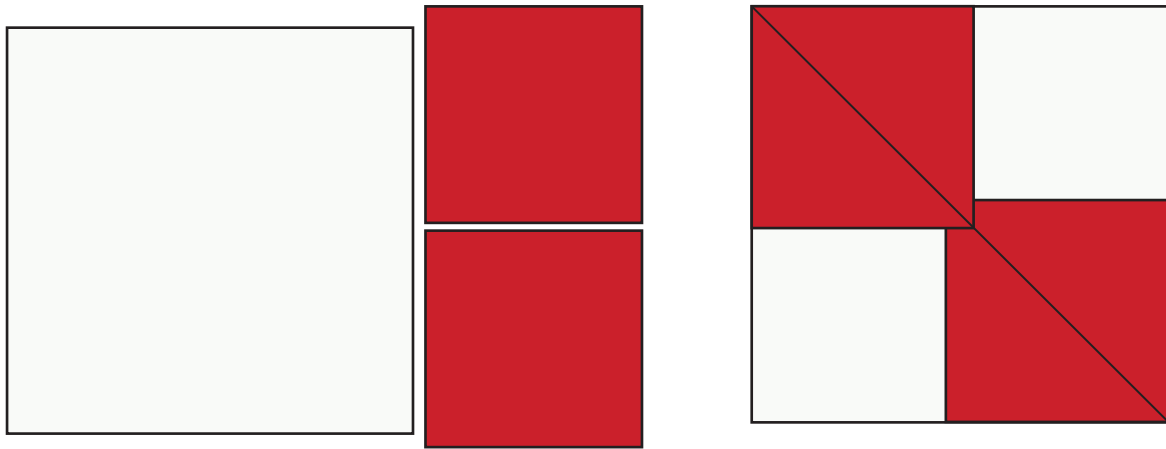

From the binding fabric, cut:

eight 2-1/2" x WOF strips

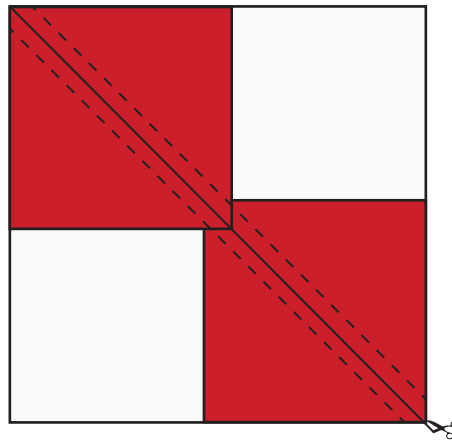

Note: This quilt uses a time saving construction method for making flying geese blocks. You will make the flying geese units four at a time, so do not be alarmed if the cut sizes seem too large for the final block.

Assemble the Blocks

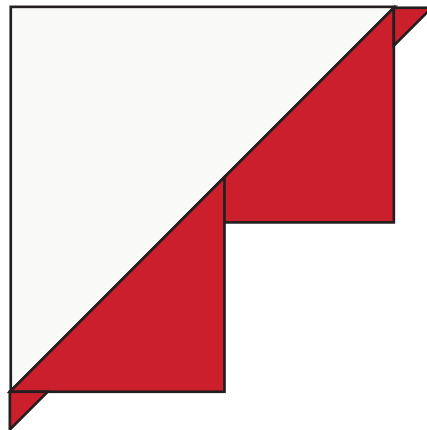

Step 1: Pin two 3-3/8" Fabric C squares in opposing corners of a Fabric F square, RST. The squares will overlap slightly in the center of the large square. Using a ruler, draw a diagonal line through the squares. Repeat with remaining blocks.

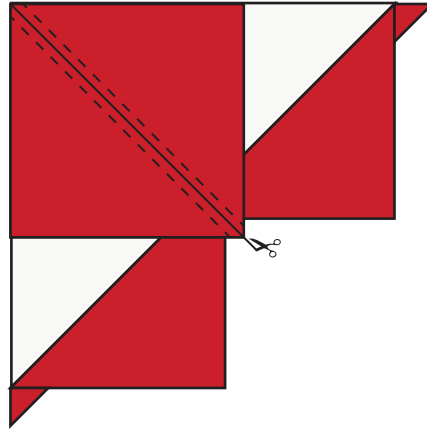

Step 2: Sew scant 1/4" seam on each side of the diagonal line. Set the seam by pressing it flat. Cut along the diagonal line.

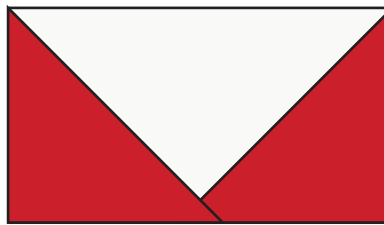

Step 3: Iron fabric toward smaller triangles. Repeat with the second unit.

Step 4: Place one 3-3/8" Fabric C square at the corner of sewn block unit. Draw diagonal line in pencil. Sew a scant 1/4" seam on each side of diagonal line. Set seam (press). Cut along diagonal line.

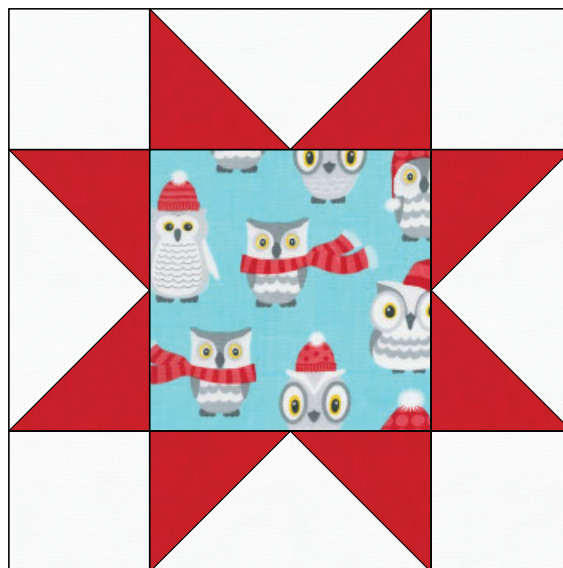

Step 5: Press the seam toward smaller triangle. Trim off small dog ears left by the seam allowance. Trim to 3" x 5-1/2" if necessary. Repeat to make four flying geese blocks.

Step 6: Repeat with all remaining 6-1/4" Fabric F squares 3-3/8" Fabric C squares to make a total of forty-four flying geese blocks.

Step 7: Gather four flying geese blocks, four 3" Fabric F squares and one 5-1/2" Fabric G squares. Sew together in three rows of three units, each, as illustrated in the Block Assembly Diagram. Press the unit seams toward the flying geese units and press the row seams open. The block should measure 10-1/2" square.

Step 8: Repeat to make eleven blocks, using the Fabric G-J squares as the block centers.

Assemble the Quilt Center

Step 9: Sew the 3" Fabric B and C strips together in pairs along the longest side. Press the seam toward the darker fabric.

Step 10: Sew the 40-1/2" strip pairs to the sides of the center panel, with Fabric B strip next to the panel*, pressing the seam toward the panel. Sew the 30-1/2" strip pairs to the top and bottom of the center panel, with Fabric B strip next to the panel*, pressing the seam toward the panel.

**for the alternate color story, place the Fabric C strip next to the panel.*

Step 11: Sew the 50-1/2" Fabric D side borders to the sides of the quilt center, pressing the seam toward the Fabric D border. Sew the 5-1/2" Fabric E squares to either end of the remaining Fabric D border strips, pressing the seam toward the border. Sew these pieced borders to the top and bottom of the quilt center, pressing the seam toward the border.

Assemble the Quilt

Step 12: Sew six blocks together to form a row. Press the seams open. Sew the row to the right side of the quilt center, pressing the seam toward the quilt center.

Step 13: Sew five blocks together to form a row. Press the seams open. Sew the row to the top of the quilt center, pressing the seam toward the quilt center.

Step 14: Sew a 70-1/2" outer border to each side of the quilt. Press seams toward the border. Sew a 58-1/2" outer border to the top and bottom of the quilt. Press seams toward the border.

Your quilt top is now complete. Baste, quilt, bind and enjoy!
