## Fabric and Supplies Needed

Fabric amounts based on yardage that is 42" wide.

**Makes two pouches!**

	Color	Fabric	Name/SKU	Yardage		Color	Fabric	Name/SKU	Yardage	
Option 1			A	AAK-16532-4 BLUE	1/4 yard			C	AAK-16534-5 YELLOW	1/4 yard
Option 2			B	AAK-16534-204 PRIMARY	1/4 yard			D	AAK-16533-7 GREEN	1/4 yard

You will also need:  
one 9" zipper per pouch

For individual use only - Not for resale

## Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

## Cutting Instructions

**From each of Fabric A-D, cut:**  
two 8" x 10" rectangles

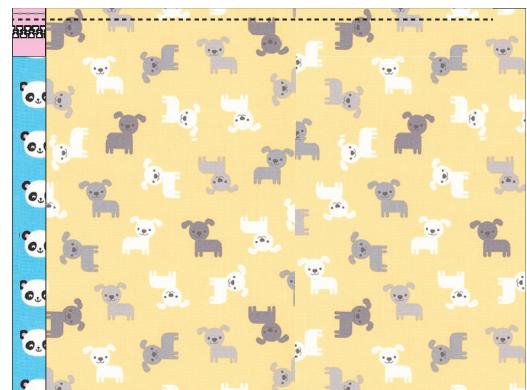

Pair Fabrics A and C together to make one pouch and Fabrics B and D together to make a second pouch.

## Assembly

**Step 1:** Place the zipper face down, RST with the top (long) edge of a Fabric A piece, aligning the raw edges. Sew the zipper in place with a basting stitch and 1/8" seam.

**Step 2:** Place a Fabric C piece on top, RST. Sew along the top of the unit. Position the fabrics wrong sides together and press the seams away from the zipper. Topstitch along the fabric near the zipper.

Edges of fabrics not shown aligned in the illustration to depict layers.

**Step 3:** Repeat the process, placing the remaining exterior piece right side up on the work surface. Place the completed Step 2 unit exterior (Fabric A) side down, aligning the zipper with the top edge of the fabric. Baste in place with a 1/8" seam. Place the remaining lining (Fabric C) piece right side down. Sew along the top of the unit. Position the fabrics wrong sides together and press the seams away from the zipper. Topstitch along the fabric near the zipper.

Open zipper half way. This is essential.

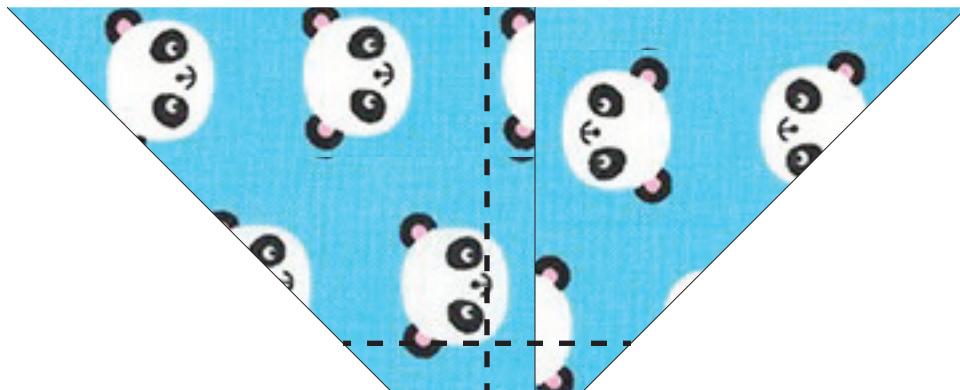

**Step 4:** Place linings right sides together and exteriors right sides together and pin.

**Step 5:** Mark a 1" square at each lower corner of all lining and exterior pieces, measuring from the raw edges. Cut out each square along the marked line.

**Step 6:** Sew around entire project, leaving a 4" opening along the bottom center of the lining. Backstitch at both sides of the opening. Leave the corner cutouts unsewn for now.

**Step 7:** Pinch the corners of the pouch together and bring the seams together, forming a boxed corner. Sew 1/4" from the raw edges of the corner, squaring the bottom of the pouch.

**Step 8:** Turn the pouch right side out, pulling the project through the opening in the lining. Push corners out and tuck the seam allowance in at the opening in the lining. Edgestitch the opening closed.

Repeat the process for the Fabric B and D pieces to make another pouch.
