 3 yards backing if running widthwise, or 3 1/2 yards if running lengthwise
 54" x 60" quilt batting

Notes Before You Begin

- Please read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Press all seam allowances open after each seam is sewn, unless otherwise noted.
- Remember to measure twice and cut once!

Cutting Instructions

Fabrics A-H

- Print the Large and Small Triangle templates on page 6 and trace to template plastic (make a separate large and small triangle template). Cut out along the (solid black) seam allowance line.

Using the templates, cut the number of triangles indicated in the chart from each fabric.

Fabric	# Large (7-1/2") Triangles to Cut	# Small (4-1/2") Triangles to Cut
A	2	6
B	4	6
C	4	7
D	2	6
E	4	6
F	4	7
G	2	6
H	4	6

Fabric I

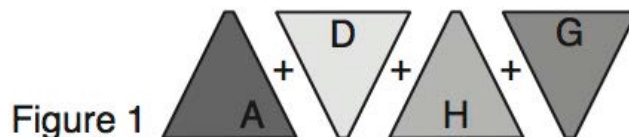

- Cut three 6-1/2" x 42" strips, then sew short ends together into one long strip.

- subcut two 6-1/2" x 48-1/2" strips for Row 2 and Row 7.

Fabric J

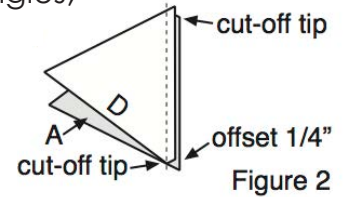

- Fussy-Cut two 10-1/2" x 48-1/2" *lengthwise* strips (parallel to the selvage) for Row 3 and Row 6.

Note: All sides of the triangles are not equal – When sewing, be sure to keep the cut-off tips of the triangles alternating at the top or the bottom of the rows, as shown (Figure 1).

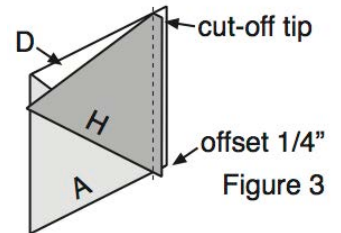

Assembly Instructions

1. Referring to the illustration on page 1, start with Row 1 – the **small** triangles, sew a D triangle to an A triangle. Place the two triangles right sides together, D on top of A. Offset the D triangle 1/4" and sew (Figure 2). Press toward A.

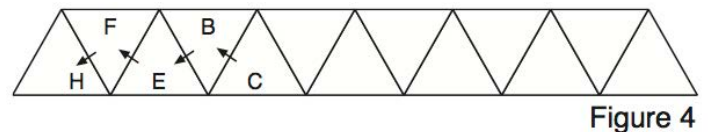

Layer an H triangle on top of D. Offset the H triangle 1/4" and sew (Figure 3). Press toward D.

Continue working across the row in this manner, sewing and pressing as you go. This will help keep your row straight.

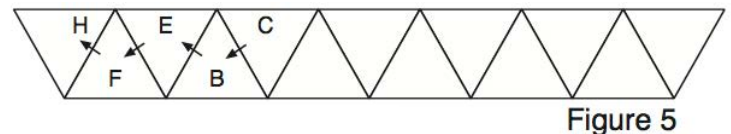

2. Referring to the illustration, sew Row 4 -- the **large** triangles, sew an F triangle to an H triangle. Place the two triangles right sides together, F on top of H. Offset the H triangle 1/4" and sew.

Continue making Row 4, sewing and pressing toward the triangle on the bottom as you go (Figure 4).

Sew Row 5, again using the large triangles.

This time press toward the triangle you just added after sewing each triangle (Figure 5). Doing this, your seams will "nest" together when you sew Row 4 to Row 5.

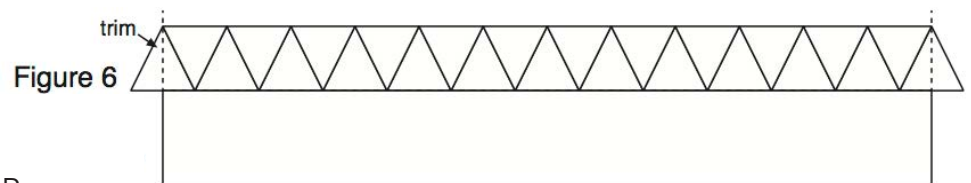

Sew Row 4 to Row 5. Press and set aside.

3. Referring to the illustration, and using small triangles, sew Row 8 together.

4. Sew the rows together: Sew Row 1 to Row 2.

Trim the A triangle at the beginning of the row and the G triangle at the other end of the row even with Row 2 after they are sewn together (Figure 6). Press.

Sew Row 3 to the quilt top. Press.

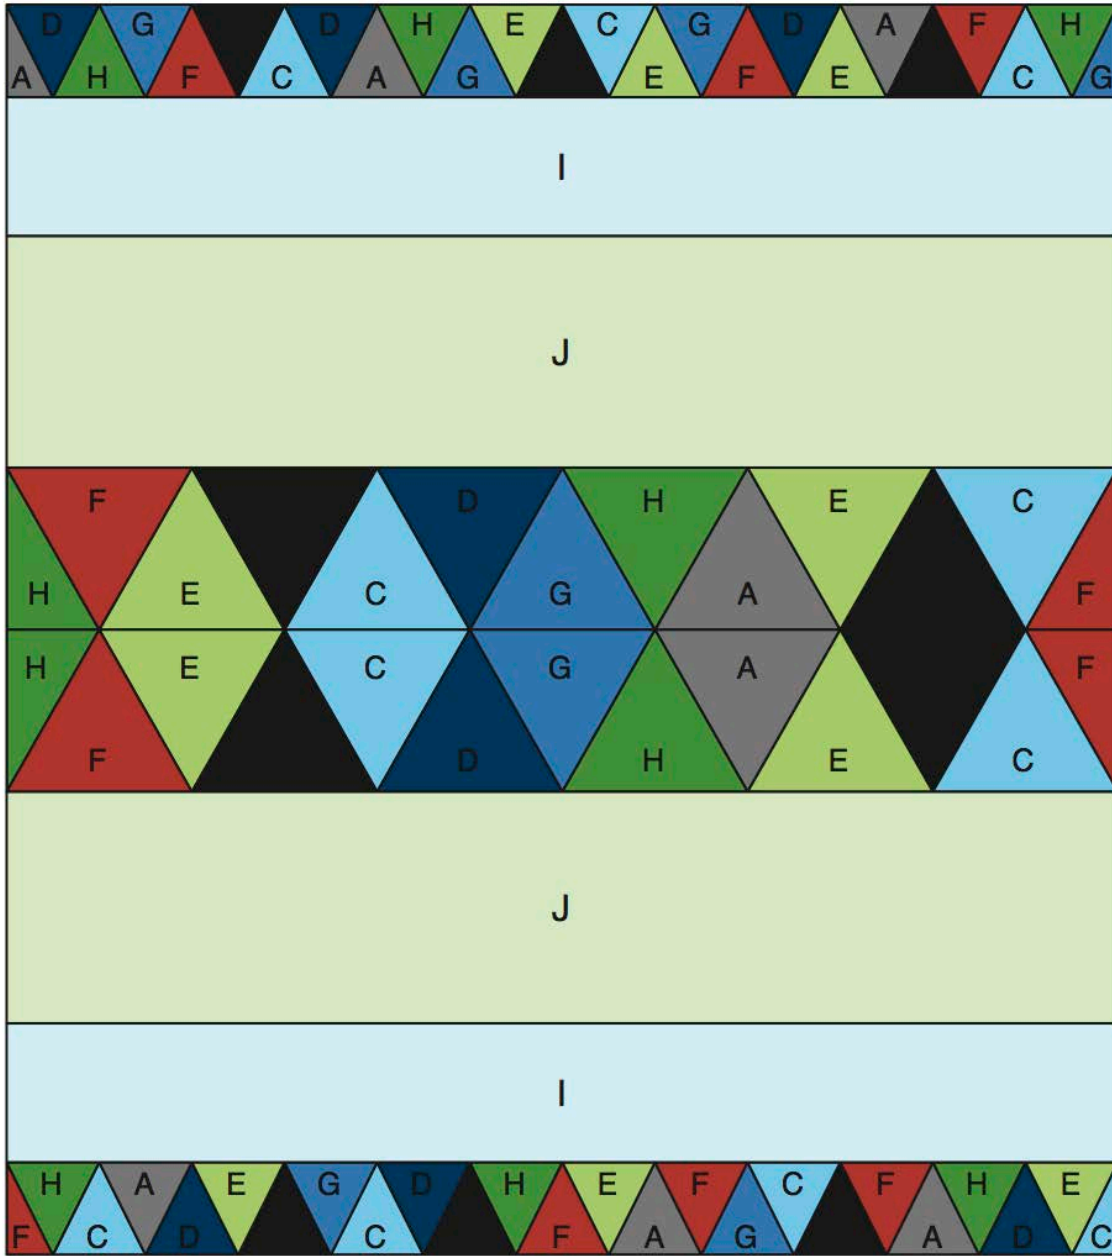

Sew Row 4/Row 5 to Row 3.

Again you will be trimming off the H triangles and the F triangles even with Row 3. Press.

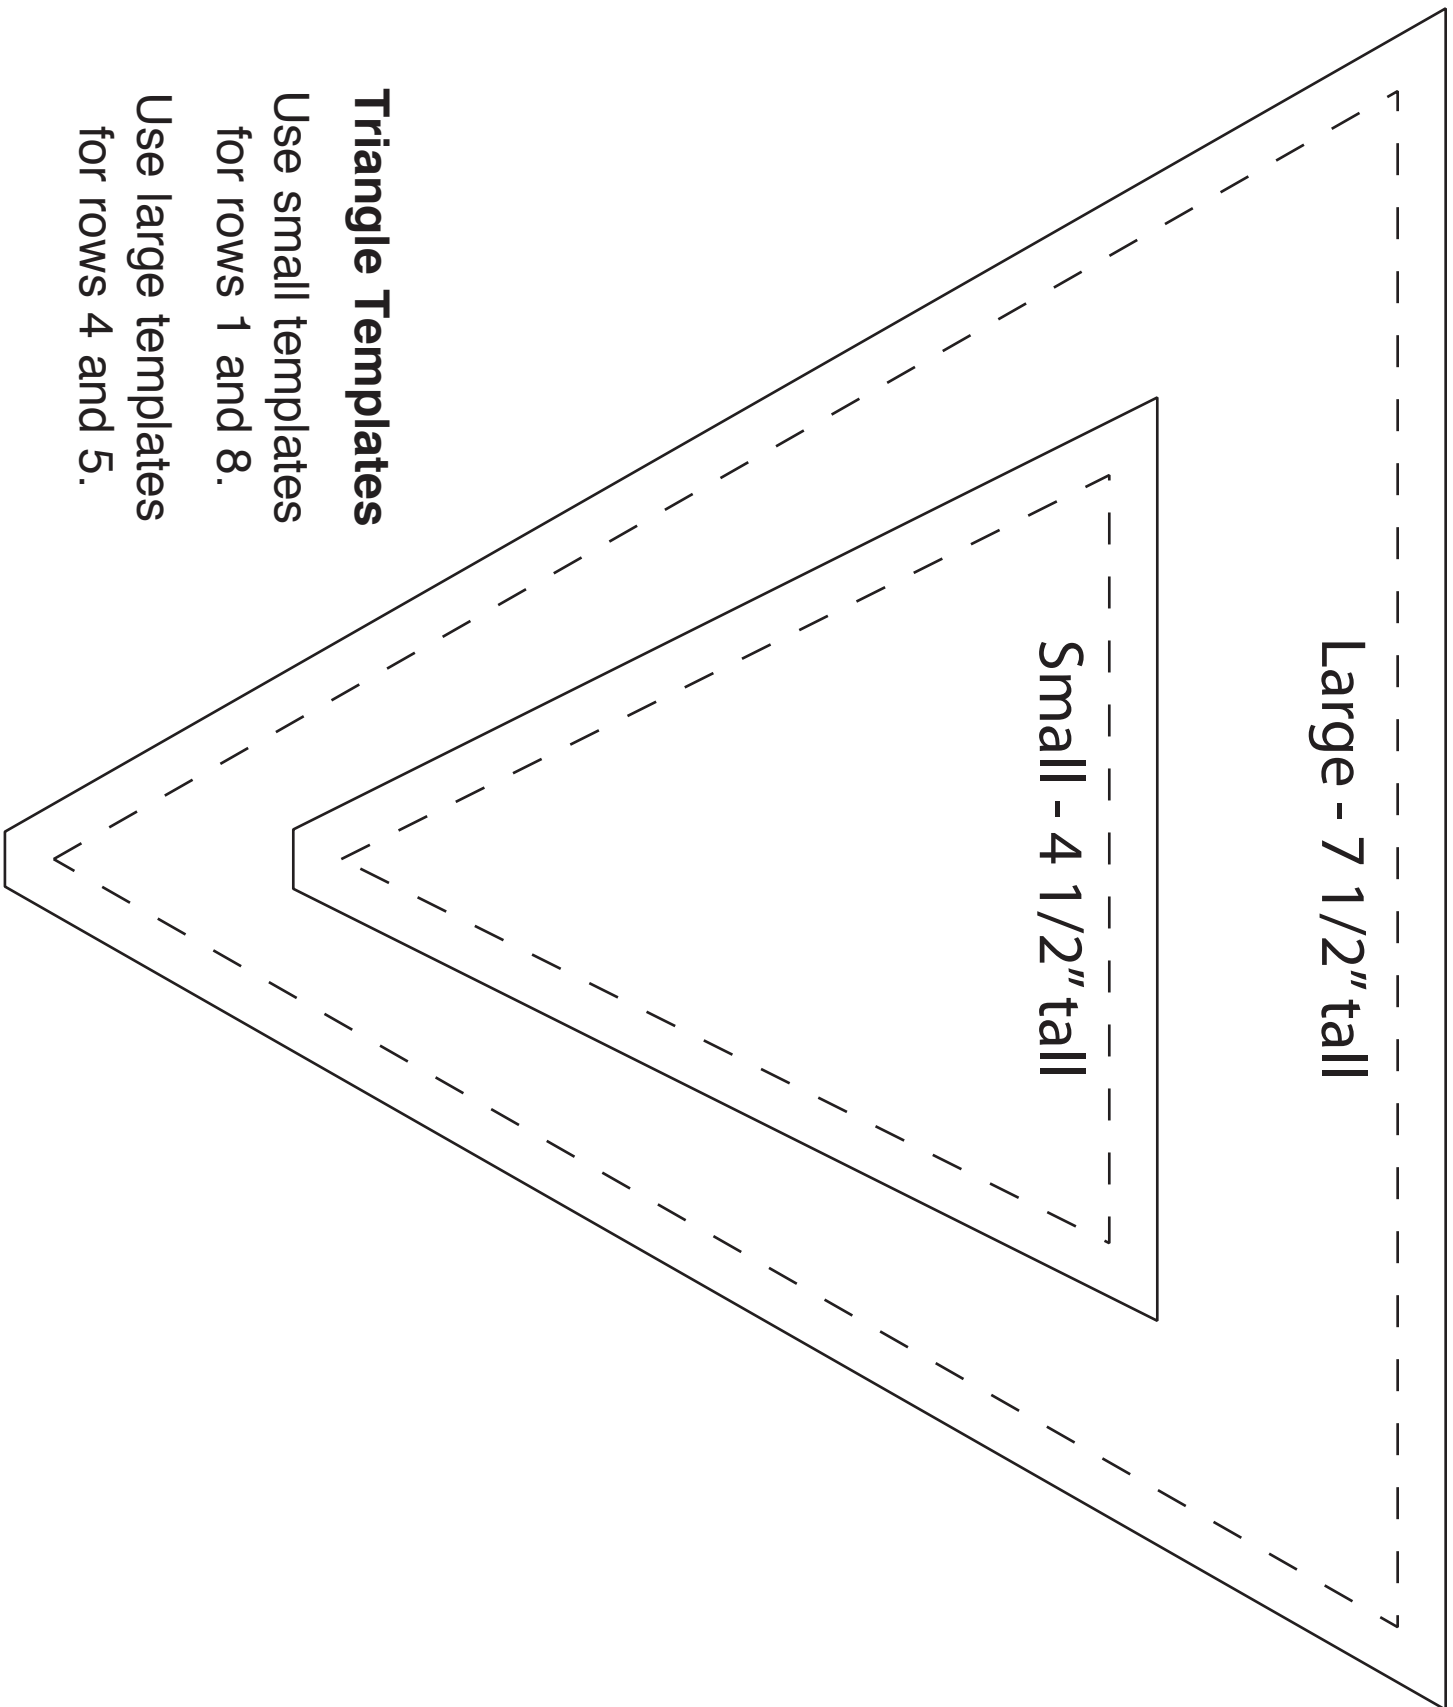

Continue sewing the quilt top together, and trimming Row 8 after it has been sewn and pressed.

5. Layer, quilt, and finish the quilt.
