Piecing Instructions

Step 1: Make Quarter Square Triangle Blocks

-Place a 9-1/2" black square and a 9-1/2" color square right sides together. Draw a diagonal line from corner to corner and then sew 1/4" from either side of the line.

-Cut apart along drawn line and press seams toward the black fabric. You will now have 2 half square triangles (HSTs).

-Repeat with 9-1/2" black and color squares to yield 64 HSTs.

-Next, lay 2 HSTs with right sides together and seams nesting (black background will be opposite each other).

-Draw a diagonal line that is perpendicular to the seam on your HSTs and sew 1/4" from either side of the line.

-Cut apart along drawn line and press seams open. Trim to an 8-1/2" square, if necessary.

-Repeat for remaining blocks. You may match the colors up according to the diagram, or mix it up.

Step 2: Sew Outer Blocks

-Make HSTs from 9-1/2" Black and Iron squares. Yield 16 9" HSTs.

-Place a HST on a 9" color square and draw a diagonal line that is perpendicular to the seam on your HSTs and sew 1/4" from either side of the line.

- Cut apart along drawn line and press seams open. Make 32 blocks.

Quilt Assembly

Sew quarter square triangle blocks into 8 rows of 8 blocks each, then sew rows together.

Sew outer blocks together into 4 rows (borders) of 8 blocks each.

Sew 2-1/2" x 8-1/2" Sunflower strips and corner blocks to each short side of 2 outer block borders.

Assemble quilt top according to diagram below:

- Sew Sunflower strips to top and bottom of center block unit (piece strips together along short edges so they are long enough).
- Sew outer block borders to top and bottom of quilt top.
- Sew Sunflower strips to each side of quilt top.
- Sew outer block borders/corner blocks to each side of quilt top.

Your quilt top is complete!
Baste, quilt, bind and enjoy.
